Yank Tanks And Infantry Push Close To Red Border

Seoul, Nov. 20 (AP)—American tanks and infantry crunched through a snow-mantled North Korean valley today within two miles of the Communist Manchurian border.

By nightfall officers expected to reach the border—goal of United Nations forces all along the Korean front.

The thrust to the near-goal was made by elements of the U. S. Seventh Division. Associated Press Correspondent Don Huth quoted a 10th Corps spokesman as saying the advance units met only sporadic light resistance, which dwindled to "practically none" late Monday afternoon.

Joined By British

Monday's push carried the troops 11 air miles closer to the border. The advance represented a chilling march of more than 15 miles over the winding road through Korea's northeastern mountains.

British Commandos moved up to join U. S. Marines in a push through the central mountains around Changjin reservoir.

Simultaneously the commander of the Philippines battalion in the U. N. force asked that his outfit be returned home because it was not fighting as a unit. The Filipinos are guarding a vital supply line with the U. S. 18th Airborne regiment.

U. S. Ambassador John J. Muccio, just returned from Washington said "the new menace" (Red China) would not check the determination of the U. N. governments "to see this thing through." He added, "Korea's friends are on the march."

May Make It Tuesday

It was not known whether the Seventh would reach its objective of Hyesanjin, on the Korean side of the border, tonight.

However, it was believed that because of the fast approaching darkness and bitter cold the division probably would wait until tomorrow morning.

The Seventh Division's 17th Regimental combat team was driving down a snow-mantled valley running from Kapsan, in north central Korea.

Advances also were reported in three other sectors: U. S. Marines moved two miles up the east shore of the great Changjin reservoir of Central Korea. South Koreans fought up the northeast coast under cover of American naval guns. And the ROK (Republic of Korea) Second Corps advanced up to three miles unopposed on the right flank of the northwest front, where Reds fought stubbornly until Sunday.

General Eisenhower Purchases 179-Acre Allen Redding Farm

Gen. Dwight D. Eisenhower has purchased the 179-acre Allen Redding farm near Gettysburg, and will make it his permanent family home, it was disclosed today. The purchase price was \$40,000.

Attorney Richard A. Brown said that he and John C. Bream, real estate dealer, closed the deal November 1.

The property is a dairy and

GEN. EISENHOWER

general farm, with a nine-room brick dwelling house, three miles south of Gettysburg. It is located on the road leading to the Gettysburg water works, off the Battlefield avenue. It adjoins West Confederate avenue.

The general, on his frequent visits to eastern Pennsylvania, has expressed a sentimental as well as patriotic attachment to the Gettysburg region. He spent part of his World War I service in the area, as commander of Camp Colt, a training base, and returned to the Gettysburg countryside from time to time, once to speak at commencement exercises at Gettysburg college.

General Eisenhower was born in Denison, Texas, but his family has its roots in Pennsylvania. At Elizabethville, near Harrisburg, is the old Eisenhower homestead, built about 1860 and the birthplace and childhood home of the general's father, David J. Eisenhower.

The family moved to Kansas after selling the home. David Eisenhower traveled on to Texas, but returned to Kansas when Dwight was two years old.

Two of the general's brothers are Pennsylvania residents—Dr. Milton S. Eisenhower, president of Pennsylvania State college, and Earl Eisenhower, an engineer in Charleroi.

Disclosure of the farm purchase coincided with a week-end visit in Philadelphia by General and Mrs. Eisenhower as guests of Martin W. Clement, chairman of the board of the Pennsylvania railroad. The Eisenhowers, together with Gov. James H. Duff, Pennsylvania's senator-elect, Governor-elect John S. Pine, George E. Allen and their wives, were entertained at what was described as a strictly social affair.

Furnishes \$1,000 Bail On Larceny Charge

Dwight (Whitely) Johnson, Carlisle street, furnished \$1,000 bail before Justice of the Peace John H. Baschore Sunday night for a hearing Tuesday morning on a larceny charge involving the alleged theft of a diamond ring.

Gettysburg Is Widely Publicized—Do We Appreciate Our Inheritance?

Gettysburg received nation-wide publicity over the week-end . . . the observance of the 87th anniversary of Lincoln's immortal Gettysburg Address.

Beginning on Saturday, newspapers, the country over, gave widespread space to patriotic comments, editorial expressions, photographs and awe-inspiring cartoons all devoted to commemorating the significant event that has focused world eyes upon this historic community.

Saturday evening and all day Sunday scores of radio programs gave generous time to the anniversary observance. There were talks, musical renditions, prayers and other dignified features all of which were devoted to Lincoln's memory and Gettysburg.

All of this publicity, which cannot be measured in millions of dollars and most of which could not be purchased if the money were available, reflects upon the historic significance of Gettysburg.

If Gettysburg gave full recognition to Lincoln and erected an appropriate and beautiful bronze statue to his memory in Lincoln Square, the extent of the publicity to Gettysburg would go even further than that demonstrated over the week-end. But of far greater value would be the town's appreciation of its Lincoln inheritance and its acceptance as not the birthplace nor the burial ground of Lincoln . . . but as "Abraham Lincoln's historic home."

Ornamental Light Standard Tumbles

An ornamental electric light standard at the southeast corner of Lincoln Square fell shortly before noon today, crashing into the street and breaking.

Borough police said the bolts which held it were rusted and gave away. It narrowly missed an automobile. Employees of the Metropolitan Edison company removed the broken standard.

SUIT GIVEN BY STRANGER FOR NEEDY IN KOREA

One phase of the parable of the Good Samaritan was repeated here Sunday morning when a stranger came after mass at St. Francis Xavier Catholic church to offer his suit that someone in Korea might be warm.

The suit, the Rev. Fr. Anthony F. Kane, pastor of the church said, was one of the first contributions made in the current drive for warm clothing, bedding and blankets being conducted throughout the nation at the request of United Nations military authorities.

At the three masses Sunday morning announcement was made of the clothing drive to secure warm clothing and bedding to be distributed to refugees in Korea and Europe.

Following one of the masses a stranger came to Father Kane, and opening his luggage, took out a suit of clothes, said it was an extra suit, and donated it to the drive.

Gather Gifts This Week

The clothing is to be collected this evening, Tuesday and Friday evenings at St. Francis Xavier Catholic school. Persons who may have clothing and are unable to deliver it to the school are asked to call the school, phone 855-W between 6:30 and 8 p.m. and arrangements will be made to collect the clothing.

Father Kane urged everyone, whether Catholic or not to donate to the drive, noting that "there is a tremendous need for warm clothing among the refugees in Korea."

Distribution will be made regardless of creed or nationality. In Korea some 2,000,000 have been rendered homeless and practically without clothes because of the war.

According to word received by the United Nations high command, many may freeze to death in Korea during the bitter winter there because they have nothing to wear but thin summerweight garb and have no homes.

DR. HANSON HONORED

Dr. Henry W. A. Hanson, president of Gettysburg college, who received the 33rd degree in the Masonic fraternity at the annual convention in Philadelphia this fall, last Friday night was presented with the jewels of the consistory at the semi-annual reunion and ladies' night reception held at the Hershey sports arena.

The battle of Gettysburg not only changed the history of the United States, it changed the history of the world, Congressman John C. Kunkel, Harrisburg, told the Past Commanders and Past Presidents Association of South Central Pennsylvania at its 20th annual Dedication Day banquet Saturday night at the Hotel Gettysburg.

Pointing out that "I have just returned from Europe where one of the greatest problems is the lack of coordination between nations of Europe," Congressman Kunkel said, "If the battle of Gettysburg had not been a Union success and if the Confederates had won there would not only have been a division of the United States into two countries, there would in all probability have been an even further breaking up into smaller regional unions."

Bulwark To Liberty

"As a result the United States could not have been the tremendous bulwark to liberty that it has been. We would not have been able to do the things that we have done to maintain such freedom as remains in the world. And as a result the entire history of the world would have been changed."

"I have heard men of the south say that it was fortunate for the south that the north won the Civil War. And I know what they mean. The more we look at the world picture today the more we see that the day of the small nation is rapidly passing out of the picture."

"With the restrictions on trade between nations the small nation that is not self-supporting finds it more and more difficult to exist. So the European nations today are seeking some sort of economic union with the thought in their minds that at some future date they may join closer into something like the United States."

Lincoln Had Vision

"Lincoln was one of those who had the vision to see that for the welfare of all the people the Union must be preserved. He was a product of the growth of the United States. He had little formal schooling. He had a great many setbacks. He failed in the grocery business and spent 15 years paying off the debts."

"During the years he was groping to find himself, he was in contact (Continued on Page 3)

COUNTIAN SUES HANOVER FIRM

Injury to his reputation, embarrassment, inconvenience and personal hardship because of losing his job in an alleged violation of an oral contract of employment are valued at \$10,000 in a suit for \$18,692.50 filed at York by a New Oxford man against a Hanover corporation and its president.

James B. Guttridge, New Oxford, is the plaintiff. A. F. Rees, Inc., and Lillie G. Rees, 224 Broadway, Hanover, president and treasurer of the corporation, individually, are the defendants.

The complaint, as filed by Attorney Horace G. Smith, counsel for the plaintiff, declares that on or about April 23, 1950, Guttridge and the defendant entered into an oral contract under which the plaintiff was to be employed from that date through the balance of the year at a salary of \$175 a week, plus a bonus of seven per cent of net profits of the corporation for the entire year, before taxes, plus the furnishing of an automobile for use by Guttridge and payment of his expenses in the course of his employment.

On July 17, according to the complaint (Continued on Page 6)

Henry E. Luhrs, Shippensburg, past president of the Lincoln Fellowship of Pennsylvania, Sunday urged that organization to distribute copies of Lincoln's Gettysburg Address throughout the world "as long as one human being remains who is denied freedom."

Luhrs, speaking at the annual Dedication day luncheon of the Fellowship, at the Hotel Gettysburg, Sunday noon, said, "We should be able to spread Lincoln's freedom message in the same manner as the American Bible society, prepares and provides copies without number of the holy Bible and especially the gospels. We should everlastingly and continually seek to prepare and distribute copies of the Gettysburg Address as long as one human being remains who is denied freedom."

Do Fine Service

"The people of Gettysburg, indeed the people of our state and nation, could do a genuine service by preparing and distributing hundreds of millions of copies of this great message. It should be done year after year. It should be available in all languages and dialects, and continue until every one, wherever he may be, could have the opportunity to read and study and reflect on this message of cheer and encouragement."

Luhrs' address followed the annual election of officers of the Lincoln Fellowship. All of last year's officers, John D. Lappy, Jr., president; Miles Kieffer, Manheim, vice president; and Dr. J. Walter Coleman, secretary-treasurer, were re-elected.

Four Realize Meaning

Commenting on the recent survey made by Bruce Barton which disclosed that 7,000,000 American adults have never heard of the Gettysburg Address, Luhrs declared "among those who profess to know what it was, who made the address, and when it was delivered, we will find that few are really aware of what it is all about."

"Its message is more thoroughly comprehended and understood today by thousands of men and women who do not speak nor understand English, and who have learned the words and then the message through their study of translations into their own language."

"To them it has been and is a great heart-warming and cheering message. It is a ray of hope in an otherwise dark and gloomy world. It bids the weak, the frail, the suffering and helpless of humanity to (Continued on Page 3)

Yank Tanks And Infantry Push Close To Red Border

Seoul, Nov. 20 (AP)—American tanks and infantry crunched through a snow-mantled North Korean valley today within two miles of the Communist Manchurian border.

By nightfall officers expected to reach the border—goal of United Nations forces all along the Korean front.

The thrust to the near-goal was made by elements of the U. S. Seventh Division. Associated Press Correspondent Don Huth quoted a 10th Corps spokesman as saying the advance units met only sporadic light resistance, which dwindled to "practically none" late Monday afternoon.

Joined By British

Monday's push carried the troops 11 air miles closer to the border. The advance represented a chilling march of more than 15 miles over the winding road through Korea's northeastern mountains.

British Commandos moved up to join U. S. Marines in a push through the central mountains around Changjin reservoir.

Simultaneously the commander of the Philippine battalion in the U. N. force asked that his outfit be returned home because it was not fighting as a unit. The Filipinos are guarding a vital supply line with the U. S. 18th Airborne regiment.

U. S. Ambassador John J. Muccio, just returned from Washington said "the new menace" (Red China) would not check the determination of the U. N. governments "to see this thing through." He added, "Korea's friends are on the march."

May Make It Tuesday

It was not known whether the Seventh would reach its objective of Hyesanjin, on the Korean side of the border, tonight.

However, it was believed that because of the fast approaching darkness and bitter cold the division probably would wait until tomorrow morning.

The Seventh Division's 17th Regimental combat team was driving down a snow-mantled valley running from Kapsan, in north central Korea.

Advances also were reported in three other sectors: U. S. Marines moved two miles up the east shore of the great Changjin reservoir of Central Korea. South Koreans fought up the northeast coast under cover of American naval guns. And the ROK (Republic of Korea) Second Corps advanced up to three miles unopposed on the right flank of the northwest front, where Reds fought stubbornly until Sunday.

General Eisenhower Purchases 179-Acre Allen Redding Farm

Gen. Dwight D. Eisenhower has purchased the 179-acre Allen Redding farm near Gettysburg, and will make it his permanent family home, it was disclosed today. The purchase price was \$40,000.

Attorney Richard A. Brown said that he and John C. Bream, real estate dealer, closed the deal November 1.

The property is a dairy and

GEN. EISENHOWER
general farm, with a nine-room brick dwelling house, three miles south of Gettysburg. It is lo-

cated on the road leading to the Gettysburg water works, off the Battlefield avenue. It adjoins West Confederate avenue.

The general, on his frequent visits to eastern Pennsylvania, has expressed a sentimental as well as patriotic attachment to the Gettysburg region. He spent part of his World War I service in the area, as commander of Camp Colt, a training base, and returned to the Gettysburg countryside from time to time, once to speak at commencement exercises at Gettysburg college.

General Eisenhower was born in Denison, Texas, but his family has its roots in Pennsylvania. At Elizabethtown, near Harrisburg, is the old Eisenhower homestead, built about 1860 and the birthplace and childhood home of the general's father, David J. Eisenhower.

The family moved to Kansas after selling the home. David Eisenhower traveled on to Texas, but returned to Kansas when Dwight was two years old.

Two of the general's brothers are Pennsylvania residents—Dr. Milton S. Eisenhower, president of Pennsylvania State college, and Earl Eisenhower, an engineer in Charleroi.

Disclosure of the farm purchase coincided with a week-end visit in Philadelphia by General and Mrs. Eisenhower as guests of Martin W. Clement, chairman of the board of the Pennsylvania railroad. The Eisenhowers, together with Gov. James H. Duff, Pennsylvania's senator-elect, Governor-elect John S. Fine, George E. Allen and their wives, were entertained at what was described as a strictly social affair.

Gettysburg Is Widely Publicized—Do We Appreciate Our Inheritance?

Gettysburg received nation-wide publicity over the week-end . . . the observance of the 87th anniversary of Lincoln's immortal Gettysburg Address.

Beginning on Saturday, newspapers, the country over, gave widespread space to patriotic comments, editorial expressions, photographs and awe-inspiring cartoons all devoted to commemorating the significant event that has focused world eyes upon this historic community.

Saturday evening and all day Sunday scores of radio programs gave generous time to the anniversary observance. There were talks, musical renditions, prayers and other dignified features all of which were devoted to Lincoln's memory and Gettysburg.

All of this publicity, which cannot be measured in millions of dollars and most of which could not be purchased if the money were available, reflects upon the historic significance of Gettysburg.

If Gettysburg gave full recognition to Lincoln and erected an appropriate and beautiful bronze statue to his memory in Lincoln Square, the extent of the publicity to Gettysburg would go even further than that demonstrated over the week-end. But of far greater value would be the town's appreciation of its Lincoln inheritance and its acceptance as not the birthplace nor the burial ground of Lincoln . . . but as "Abraham Lincoln's historic home."

Ornamental Light Standard Tumbles

An ornamental electric light standard at the southeast corner of Lincoln Square fell shortly before noon today, crashing into the street and breaking.

Borough police said the bolts which held it were rusted and gave away. It narrowly missed an automobile. Employees of the Metropolitan Edison company removed the broken standard.

SUIT GIVEN BY STRANGER FOR NEEDY IN KOREA

One phase of the parable of the Good Samaritan was repeated here Sunday morning when a stranger came after mass at St. Francis Xavier Catholic church to offer his suit that someone in Korea might be warm.

The suit, the Rev. Fr. Anthony F. Kane, pastor of the church, said, was one of the first contributions made in the current drive for warm clothing, bedding and blankets being conducted throughout the nation at the request of United Nations military authorities.

At the three masses Sunday morning an announcement was made of the clothing drive to secure warm clothing and bedding to be distributed to refugees in Korea and Europe.

Following one of the masses a stranger came to Father Kane, and opening his luggage, took out a suit of clothes, said it was an extra suit, and donated it to the drive.

Gather Gifts This Week

The clothing is to be collected this evening, Tuesday and Friday evenings at St. Francis Xavier Catholic school. Persons who may have clothing and are unable to deliver it to the school are asked to call the school, phone 855-W between 6:30 and 8 p.m. and arrangements will be made to collect the clothing.

Father Kane urged everyone, whether Catholic or not to donate to the drive, noting that "there is a tremendous need for warm clothing among the refugees in Korea."

Distribution will be made regardless of creed or nationality. In Korea some 2,000,000 have been rendered homeless and practically without clothes because of the war.

According to word received by the United Nations high command, many may freeze to death in Korea during the bitter winter there because they have nothing to wear but thin summerweight garb and have no homes.

Driver Is Charged After Local Mishap

An automobile driven by John D. Stallsmith, Biglerville, traveled more than an eighth of a mile on Carlisle street extended at 5 o'clock Saturday afternoon after striking a truck which was pulling away from the curb, according to borough police. The latter charged Stallsmith with reckless driving.

Stallsmith, according to the report, was traveling north "at a high rate of speed," police said. Dengler Brothers' truck, operated by David Wayne Miller, 147 York street, was pulling out in the block north of Broadway. The Stallsmith car struck the left front fender of the truck, police said.

No one was injured. Damage to the truck was estimated at \$200 and to Stallsmith's car at \$125. A 10-day notice will be sent to the latter by Justice of the Peace John H. Basehore.

The opening night program will be for members and their ladies.

the world was reeling all around him and he poured out his heart in recognition of the great truths of human freedom.

Some Lose Faith

"Again today our country is under tension, again there are those who have lost their faith. From coast to coast there is a feeling of futility. Yet this should not be. We have not lost our vision, we still have our dream. If we hold fast to the great ideals set for us by Lincoln the great day of America (Continued on Page 6)

Congressman Kunkel
Says Battle Of Get-
tysburg Changed
World History

The battle of Gettysburg not only changed the history of the United States, it changed the history of the world, Congressman John C. Kunkel, Harrisburg, told the Past Commanders and Past Presidents Association of South Central Pennsylvania at its 20th annual Dedication Day banquet Saturday night at the Hotel Gettysburg.

Pointing out that "I have just returned from Europe where one of the greatest problems is the lack of coordination between nations of Europe," Congressman Kunkel said, "If the battle of Gettysburg had not been a Union success and if the Confederates had won there would not only have been a division of the United States into two countries, there would in all probability have been an even further breaking up into smaller regional units."

Bulwark To Liberty

"As a result the United States could not have been the tremendous bulwark to liberty that it has been. We would not have been able to do the things that we have done to maintain such freedom as remains in the world. And as a result the entire history of the world would have been changed."

"I have heard men of the south say that it was fortunate for the south that the north won the Civil War. And I know what they mean. The more we look at the world picture today the more we see that the day of the small nation is rapidly passing out of the picture."

"With the restrictions on trade between nations the small nation that is not self-supporting finds it more and more difficult to exist. So the European nations today are seeking some sort of economic union with the thought in their minds that at some future date they may join closer into something like the United States."

Lincoln Had Vision

"Lincoln was one of those who had the vision to see that for the welfare of all the people the Union must be preserved. He was a product of the growth of the United States. He had little formal schooling. He had a great many setbacks. He failed in the grocery business and spent 15 years paying off the debts."

"During the years he was groping to find himself, he was in contact (Continued on Page 3)

COUNTIAN SUES HANOVER FIRM

Injury to his reputation, embarrassment, inconvenience and personal hardship because of losing his job in an alleged violation of an oral contract of employment are valued at \$10,000 in a suit for \$18,682.50 filed at York by a New Oxford man against a Hanover corporation and its president.

James B. Guttridge, New Oxford, is the plaintiff. A. F. Rees, Inc., and Lillie G. Rees, 224 Broadway, Hanover, president and treasurer of the corporation, individually, are the defendants.

The complaint as filed by Attorney Horace G. Smith, counsel for the plaintiff, declares that on or about April 25, 1950, Guttridge and the defendant entered into an oral contract under which the plaintiff was to be employed from that date through the balance of the year at a salary of \$175 a week, plus a bonus of seven per cent of net profits of the corporation for the entire year, before taxes, plus the furnishing of an automobile for use by Guttridge and payment of his expenses in the course of his employment.

Message Is Beacon
For Freedom Lov-
ing People

Henry E. Luhrs, Shippensburg, past president of the Lincoln Fellowship of Pennsylvania, Sunday urged that organization to distribute copies of Lincoln's Gettysburg Address throughout the world "as long as one human being remains who is denied freedom."

Luhrs, speaking at the annual Dedication day luncheon of the Fellowship, at the Hotel Gettysburg, Sunday noon, said, "We should be a dynamic organization. We should serve to spread Lincoln's freedom message in the same manner as the American Bible society, prepares and provides copies without number of the holy Bible and expects the gospels. We should everlastingly and continually seek to prepare and distribute copies of the Gettysburg Address as long as one human being remains who is denied freedom."

Do Fine Service

"The people of Gettysburg, indeed the people of our state and nation, could do a genuine service by preparing and distributing hundreds of millions of copies of this great message. It should be done year after year. It should be available in all languages and dialects, and continue until every one, wherever he may be, could have the op-

portunity to read and study and reflect on this message of cheer and encouragement."

Luhrs' address followed the annual election of officers of the Lincoln Fellowship. All of last year's officers, John D. Lipsey, Jr., president; Miles Kieffer, Manheim, vice president and Dr. J. Walter Coleman, secretary-treasurer, were re-elected.

Few Realize Meaning

Commenting on the recent survey made by Bruce Barton which disclosed that 7,000,000 American adults have never heard of the Gettysburg Address, Luhrs declared "among those who profess to know what it was, who made the address, and when it was delivered, we will find that few are really aware of what it is all about."

"Its message is more thoroughly comprehended and understood today by thousands of men and women who do not speak nor understand English, and who have learned the words and then the message through their study of translations into their own language."

"To them it has been and is a great heart-warming and cheering message. It is a ray of hope in an otherwise dark and gloomy world. It bids the weak, the frail, the suffering and helpless of humanity (Continued on Page 3)

CHINESE RED RADIO REJECTS TRUMAN WORDS

London, Nov. 18 (AP)—Communist China's official radio has coldly brushed aside President Truman's assurances of peaceful intentions towards her and charged that the Americans already have "smashed" their way "into Chinese territory."

A broadcast from Peiping, heard in London last night, caustically rejected America's "mixture of honey-cloyed words and threats" and said the Chinese people "are not deceived by what they see through this curtain of lies and bellicosity."

The broadcast quoted President Truman at his Thursday press conference as saying the United States would respect Chinese territorial integrity, and declared such statements "are not convincing anyone here."

Charge Aggression

The Peiping broadcast asserted that U.S. Secretary of State Dean Acheson is "impugning that the Chinese could not possibly 'misunderstand' America's pacific intentions." It added:

"Acheson can be reassured. There is no misunderstanding. America has lied and smashed her way across the world to Chinese territory and into eyes words and threats" and said the Chinese people "are not deceived by what they see through this curtain of lies and bellicosity."

WON'T HEAR GOP TAX PROPOSALS

Washington, Nov. 20 (AP) — House Ways and Means committee Democrats refused today to hear testimony on a Republican-proposed substitute for the administration's \$4,000,000,000 excess profits tax plan.

By vote of 15 to 10—the party division on the committee—the group rejected a motion by Rep. Reed of New York that business witnesses be allowed to give their views on alternative proposals.

Reed, top Republican on the committee, has proposed a substitute plan that would let a taxpayer compute his excess profits tax by applying a 27 per cent tax on normal net income and a 28 per cent surtax on excess income over \$25,000.

The administration proposes a 75 per cent tax on profits determined to be excessive when compared with 1946-1949 earnings.

Today's committee vote reiterated previous ruling that witnesses must confine their testimony to excess profits taxation.

Within that limitation, business spokesmen opposing an excess profits tax have confined their testimony to suggestions on how such a tax should be framed if there must be one.

Reed made his motion as Charles J. Sligh, Jr., chairman of the taxation committee of the National Association of Manufacturers, started to testify. The NAM is opposing excess profits taxation on the grounds it is unworkable, inflationary and unfair.

Letter to the Editor

Editor,
The Gettysburg Times.
Dear Sir:

Not too long ago, the Gettysburg borough authorities were severely, but rightly criticized, for neglecting to keep Old Glory flying regularly on the flagpole above the fire engine house, and if I am not mistaken, the criticism came from the members of the Gettysburg encampment of the Sons of Union Veterans.

Yesterday being the 87th Anniversary of the dedication of our National Cemetery by President Abraham Lincoln, it was the day of all days to fly our country's flag from every flagpole and public building in the nation, as well as in Gettysburg.

The regulation for flying the flag of the United States plainly states that the national colors shall be raised after sunrise of each day, weather permitting, and lowered before sunset. Military posts raise and lower the colors by time schedule, with proper music and ceremony; but civilian flying of the colors coincide with the light of day, and the "after sunrise" part of the accepted regulations does not mean somewhere around the noon hour.

Despite the fact that Sunday was my day off, I made it my business to raise the colors over the fire engine house at exactly 7:10 a.m. The flagpole in front of the G.A.R. or S.U.V. post home was barren of any flag at 8 a.m., 9 a.m., 10 a.m., but somebody must have tipped the Colonel off at that hour, because I checked again at 11:15 a.m. Old Glory was waving proudly in the breeze.

At no time during the day did the flag of Our Country, the most beautiful flag of the world's most free nation, grace the flagpole of the local citadel of Federal Government, the United States Post Office where several S.U.V. members are employed. The Post Office Department may have a regulation that forbids flying of the flag on the Sabbath, but I never heard of it, and the weather was lovely and just breezy enough to hold Old Glory straight out from the pole for all to see and feel proud of that "This Nation Shall Long Endure."

I am not one to criticize forgetfulness of others, but it is my opinion that the Marines and G.I.s in the foxholes of Korea would appreciate it very much if we who stay back here would get on the ball and fly the Stars and Stripes at the top of every flagpole at all times during the daylight hours of every day, because the very sight of that wonderful flag makes me glad that I am an American and that I live in the only country in the world where the people have the four freedoms, and I know it makes all of you feel the same way.

If the flag can be flown over our Lincoln Square, our hotels, our American Legion and V.F.W. homes, and over our memorial battlefield and our National Cemetery on Sunday as well as on every week day, it can surely be flown over our G.A.R. home and our Post Office.

TEXAS SURE OF COTTON BOWL; PICKING OTHERS

By WILL GRIMSLEY
New York, Nov. 20 (AP)—Texas is in the Cotton Bowl.

Illinois and California are near enough to Pasadena to smell the roses.

A dozen other teams are afraid to stray too far from the telephone lest they miss a ring from one of the big post-season promoters.

The "plucky 'em" season is here for college football and the mad scramble is on to fill the massive stadia in the warm weather climes with the most glamorous elevens available.

Present Bowl Picture
Right now the list of unpicked eligibles is headed by Oklahoma and Kentucky, with Tennessee, Miami (Fla.) and Clemson just a shade behind.

Other prospects include Wyoming, Loyola of Los Angeles, Alabama, Southern Methodist, Nebraska, and Tulsa—their desirability hinging largely on the outcome of the remaining few games.

The bowl picture at the moment shapes up approximately like this: Rose at Pasadena—Illinois vs. California; Sugar at New Orleans—Kentucky vs. Oklahoma or SMU; Cotton at Dallas—Texas vs. Oklahoma or Tennessee and Orange at Miami—Miami vs. Tennessee, Clemson or Wyoming.

The game with the most important bowl bearing Saturday is at Knoxville, Tenn., where unbeaten and untied Kentucky takes on once-defeated Tennessee, a team that perennially gives the Wildcats trouble.

Clincher for Texas
Dallas is almost certain to make a strong bid for a return game between Texas and Oklahoma. The Sooners handed the Longhorns their only defeat this year, 14-13.

Texas clinched the Southwest championship and Cotton Bowl role Saturday by beating Texas Christian, 21-7, while Rice was cooling off the only remaining challenger, Texas A. and M., 21-13. Texas and the Aggies tangle November 30.

Illinois can clinch the Rose Bowl assignment by turning back Northwestern, three times beaten, at Evanston, Ill. Failure to do this would toss the trip to Wisconsin or Michigan. Wisconsin closes with Minnesota and Michigan with Ohio State.

Knocked Off Top Team
California, meanwhile, has to beat Stanford at Berkeley in its final game or possibly forfeit the Rose Bowl host spot to Washington. The Golden Bears, unbeaten in three seasons, had a tough time with San Francisco in the mud Saturday but won No. 33 in regular play, 13-7.

Illinois earned its favorable position by the not-so-simple expedient of knocking over the country's No. 1 team, Ohio State, which still can win the conference championship. Checked on the ground, the fighting Illini stabbed for two touchdowns through the air to prevail, 14-7, and thereby shock a majority of the experts.

Ohio State's defeat, its second this year, opened up anew the wild battle for the top position in the Associated Press poll, with Oklahoma, Army, California, Kentucky and Princeton all making menacing gestures.

Army Beats Stanford
Oklahoma, No. 2 behind Ohio State last week, made its bid for the main berth by overwhelming Missouri, 41-7. Stan Heath was the hero.

Babe Parilli, throwing five touchdowns, passed Kentucky to an 83-0 rout of North Dakota. Princeton added to its growing prestige by humbling Yale, 47-12.

Army was unable to unleash its full striking power at Palo Alto because of a driving rainstorm and had to be content with a hard-earned 7-0 victory over Stanford.

ARNOLD DOWNS MOUNT ELEVEN

Mt. St. Mary's college closed its 1950 football campaign Sunday afternoon when it bowed to Arnold college of Milton, Conn., 13-8, a pair of passes giving the victors' their touchdowns.

Cochan Law's Mountaineers scored a safety in the opening period when Webb, Arnold halfback, was tossed behind the goal line by Stianche and Borsuk of the Mounts.

Arnold took the lead in the second period when it recovered a fumble on the Mt. St. Mary's 13-yard mark from where Tosches passed to Webb for a score.

Paul Cullum sparked a Mountaineer drive in the third quarter and finally went over from the 12 to put the Mountaineers ahead 8-6. However, a pass, Tosches to Setto, which covered 53 yards, gave the host team its winning TD in the final period.

During the season the Mounts won one, lost five and tied one.

PICKED FOR TOURNEY

Miss Grace Kenney, girls' physical education instructor at Gettysburg college, was chosen on the first team to represent the Mid-East Girls' Field Hockey association in the national tournament at Rochester, N. Y., during the Thanksgiving week-end, in selections made at the tournament held over the week-end.

Many Local Fans To Back Bullets On Turkey Day

Gettysburg college's football team will likely have a good backing when it invades Lancaster on Thanksgiving Day to meet its old rival, unbeaten Franklin and Marshall.

The advance sale of reserved tickets is reported as good at the college athletic office and Bricker and Bender drug store. There are still plenty of tickets available at both places at \$2.10 each.

F. and M. rules the favorite to win the annual classic as the result of its eight straight victories without defeat. The Diplomats have one of the finest defensive records in the country, having been unscathed on in the last six games while yielding but a total of 21 for the season.

ENGINEERS TO VOTE TODAY ON SUN BOWL BID

Philadelphia, Nov. 20. (AP)—Lehigh's unbeaten Engineers and Penn's steadily improving Quakers gave the state's football fans plenty of reason to gloat over the week-end.

Lehigh swamped traditional rival Lafayette 38-0 to wind up its first unsullied season in 67 years and head for an almost certain date in the Sun Bowl at El Paso, Texas, New Year's Day.

West Texas State has already been named host team for the Sun Bowl and Lehigh reportedly is considering a bid today.

Penn.—beaten only by Rose Bowl-bound California and mighty Army this year—trounced Wisconsin 20-0 in a game that gave the lie to the old saw "Big Ten teams always find Ivy league competition easy pickings."

Penn's captain, Francis (Reds) Bagnell scored two of the three touchdowns and set up the third to add to his stature as an All-America candidate.

Pittsburgh's Panthers, in the throes of a football comeback, took on another tough opponent in Michigan State and lost 19-0.

Penn State noted out Rutgers 18-14, thanks to a 28-yard scoring run by Tony Orsini with only six minutes remaining.

Temple's Owls appeared a shoo-in to beat Fordham going into the final period. Then Fordham scored three touchdowns to win 26-21 in a thrilling comeback sparked by the East's leading passer, Dick Doheny.

Carnegie Tech, losers only to Lehigh this year, dumped Westminster 20-0 to wind up the Skibos most successful campaign in many a year. Carnegie Tech won seven this fall.

Villanova, a once mighty eleven but short on talent this year, took some of its bitterness out on Boston college to win 29-7. Pete D'Alonzo scored three of the Wildcats' touchdowns.

Haverford took advantage of a fourth quarter Swarthmore fumble and went on to score the touchdown that gave the Main Line school a 13-6 victory.

Bucknell ran wild in the first quarter against Delaware and was held scoreless the rest of the way in winning 13-0.

The National Aggies provided Lycoming with its first win in eight starts this year. Lycoming wound up its season with a 41-6 triumph.

Grove City, moaning a seven-game losing streak, came through in its season's finale to whip Bethany (W. Va.) 14-0.

Washington and Jefferson, trying to chalk up its first win of the campaign, failed in the attempt as the Presidents lost to Ohio Wesleyan 27-7.

L. A. RAMS NEAR 4TH WESTERN PRO GRID TITLE

New York, Nov. 20 (AP)—The Los Angeles Rams will send the greatest point-making machine in pro football history against the Chicago Bears next Sunday in an effort virtually to clinch their second straight Western Division title.

Never in the long and storied past of the tradition-rich National league has there been a team that has scored so often—or with such devastating suddenness.

You can ask the New York Yanks about that. Bob Waterfield and Norman Van Brocklin threw red-hot footballs through, over and around them yesterday, and the result was a sensational 43 to 35 victory for the 401-point Rams.

Have 401 Points

The triumph gave Los Angeles an 8-2 slate and a record-busting 401 points for the season's work, now, if they whip the Bears (7-2), and the Yanks (6-3) drop one of their remaining three games, it'll be all over. The Bears warmed up for Sunday's showdown with a 17-0 victory over San Francisco.

Things are pretty much the same in the American division, where the Cleveland Browns hold the upper hand.

The Browns (8-2) just did get past Washington, 20-14, yesterday and now can sit back and watch while the New York Giants (7-2) and Philadelphia Eagles (6-3) go at it next Sunday.

Giants Beat Colts
The Giants, "mystery" team of the NFL, staged a remarkable comeback in whipping the Baltimore Colts, 55-20. After trailing by 13 points at halftime, the New Yorkers scrapped their patented "A" and reverted the traditional "T" and crashed over seven touchdowns.

The Eagles weren't as fortunate. They were upset, 14-10, by the Chicago Cardinals when Don Paul raced 82 yards with a third-period punt.

In the only other game, the in-and-out Detroit Lions shaded the down-and-out Green Bay Packers, 24-21, as Dock Walker scored all the winners' points.

DELONE WHIPS YORK CATHOLIC

Delone Catholic high school's fast moving football team walloped York Catholic 34-0 Sunday afternoon at York for its fourth straight victory and its sixth win against four setbacks during its regular season.

Phil Yanoschik's Squires have carded a post season game to be played Thanksgiving Day at 2:30 o'clock at McSherrytown with the undefeated St. Michael's Industrial school, champions of the Scranton District.

Eddie Timmins paced the winners on Sunday with three touchdowns on runs of 54, 19 and 15 yards.

In the opening period Sheaffer, on the first play from scrimmage, raced 72 yards to score. Early in the second period Timmins got off on his 54-yard run and later in the same round Timmins went through right tackle for the 19. Nicholson added all three extra points on placements.

A 62-yard drive in the third period was climaxed by a 15-yard TD off-tackle dash by Timmins. Nicholson's placement was blocked.

The final Squire score came midway in the fourth period when Conrad flipped a long pass to Brenner on the York 25 from where he scored. Conrad converted on a placement.

Sports Roundup

By HUGH FULLETON, JR.
New York, Nov. 20 (AP)—The Big Ten has been experimenting this fall with a fifth official (still unnamed) in football games. The pros have had a "back judge" as No. 5 man in the officiating crews for a couple of years.

Recently Maryland's Jim Tatum proposed that all college games should have that fifth whistle-tooter because the passing, pitch-outs and wide-running plays of modern football are more than officials can follow.

But Lou Little of Columbia, chairman of the Coaches' Rules committee, figures the big problem now is how to get one of the usual four officials out of the way.

"It might be a good idea to have a fifth man," said Lou the other day, "but on the whole officiating this year has been very good."

What really worries Lou is the way the umpire gets in the way of line-backers—and don't think a lot of back aren't smart enough to use him as a blocker.

When a team uses a 5-3-2-1 or 6-3-2 defense, the umpire thinks he has to stand right beside one of those line backers. As a result the man can't move to make a tackle, Little explains. There's talk of doing something about it.

RECOGNITION

In his first season in pro football, Bob Smith, Detroit Lions sophomore halfback, grabbed off one of Sid Luckman's passes behind his own goal line and ran it back 102 yards for a touchdown against the Bears.

Bob has faced Sid on two other occasions in games, but until just recently they never had met off the field.

When they did, veteran Luckman efficiently put the youngster in his place. "Oh," Sid exclaimed, "you're the Smith I put into the record books."

South Penn Scribes Hold Fall Meeting

Selections for the all-conference South-Penn football teams were made at the annual fall meeting of the South Penn Sportswriters association which was held Sunday afternoon in the business office of The Gettysburg Times.

It was decided the selections will be announced on Thursday, November 30.

Officers were elected as follows: President, Don Bream, Gettysburg; vice president, Vaden Richards, Chambersburg, and secretary-treasurer, Wilbur Davis, Waynesboro.

Those attending the meeting included Edward Grenier, Hanover; Art Renfrew and Dave Yonan, Carlisle; Ray Benfer, Shippensburg; Robert Rice, Hershey; Richards and Bream.

SHOOT SAME BEAR

Two Adams county hunters apparently shot the same bear while hunting Saturday in Potter county. Glen Millhimes, New Oxford R. 2, and Clark Heller, Biglerville, shot at the same time while standing together to bring down the 130-pounder. They will share the bear with Johnny Millhimes, New Oxford R. 2, and Earnest Johnson, York, who were other members of the hunting party.

Television Strike Settlement Reached

New York, Nov. 20 (AP)—Last-minute network concessions yesterday avoided what would have been the first coast-to-coast strike in the television industry.

The settlement came only 35 minutes before actors, singers, dancers and announcers of the AFL Television Authority were to march against three networks and New York Station WOR-TV, which originates one network program.

The fourth big network, the National Broadcasting Co., had escaped the strike threat earlier through continued negotiations and an agreement that paved the way for the industry-wide settlement. The other networks are Columbia, American and Dumont.

The strike would have involved 25,000 TV entertainers, grouped in five unions, and all represented in television by the authority.

Chicago, Nov. 20 (AP)—A major re-vamping of America's mobilization setup—with a louder voice for labor—was demanded today by the CIO.

The demand came from President Philip Murray as the CIO opened its twelfth national convention in the Palmer House. He made it in his report to the 600 delegates representing some 6,000,000 CIO members.

Murray concentrated so much of his 72-page report on the mobilization program that he made it obvious he considers it labor's most urgent item of business.

"He came to the presidency with an onerous task upon him. He had to satisfy the political leaders who had made promises that were not easy to fulfill. He had the pre-war problem of attempting to keep the people of the south in good humor so that war could be avoided. Why at the beginning of his term he avoided speeches so that nothing he would say would precipitate war."

"He had within him a struggle between three basic loyalties. The belief that the Union must at all costs be preserved, his great belief in the constitution and his great belief in freedom."

Mrs. Lulu Strausbaugh was chairman of the committee in charge of the event.

TEXAS SURE OF COTTON BOWL; PICKING OTHERS

By WILL GRIMSLEY
New York, Nov. 20 (AP)—Texas is in the Cotton Bowl.

Illinois and California are near enough to Pasadena to smell the roses.

A dozen other teams are afraid to stray too far from the telephone lest they miss a ring from one of the big post-season promoters.

The "plucky" season is here for college football and the mad scramble is on to fill the massive stadia in the warm weather climes with the most glamorous eleven available.

Present Bowl Picture

Right now the list of unpledged eligibles is headed by Oklahoma and Kentucky, with Tennessee, Miami (Fla.) and Clemson just a shade behind.

Other prospects include Wyoming, Loyola of Los Angeles, Alabama, Southern Methodist, Nebraska, and Tulsa—their desirability hinging largely on the outcome of the remaining few games.

The bowl picture at the moment shapes up approximately like this: Rose at Pasadena—Illinois vs. California; Sugar at New Orleans—Kentucky vs. Oklahoma or SMU; Cotton at Dallas—Texas vs. Oklahoma or Tennessee and Orange at Miami—Miami vs. Tennessee, Clemson or Wyoming.

The game with the most important bowl bearing Saturday is at Knoxville, Tenn., where unbeaten and untied Kentucky takes on once-defeated Tennessee, a team that perennially gives the Wildcats trouble.

Clincher for Texas

Dallas is almost certain to make a strong bid for a return game between Texas and Oklahoma. The Sooners handed the Longhorns their only defeat this year, 14-13.

Texas clinched the Southwest championship and Cotton Bowl role Saturday by beating Texas Christian, 21-7, while Rice was cooling off the only remaining challenger, Texas A. and M., 21-13. Texas and the Aggies tangle November 30.

Illinois can clinch the Rose Bowl assignment by turning back Northwestern, three times beaten, at Evanston, Ill. Failure to do this would toss the trip to Wisconsin or Michigan. Wisconsin closes with Minnesota and Michigan with Ohio State.

Knocked Off Top Team

California, meanwhile, has to beat Stanford at Berkeley in its final game or possibly forfeit the Rose Bowl host spot to Washington. The Golden Bears, unbeaten in three seasons, had a tough time with San Francisco in the mid Saturday but won No. 33 in regular play, 13-7.

Illinois earned its favorable position by the not-so-simple expedient of knocking over the country's No. 1 team, Ohio State, which still can win the conference championship. Checked on the ground, the fighting Illini stabbed for two touchdowns through the air to prevail, 14-7, and thereby shock a majority of the experts.

Ohio State's defeat, its second this year, opened up anew the wild battle for the top position in the Associated Press poll, with Oklahoma, Army, California, Kentucky and Princeton all making menacing gestures.

Army Beats Stanford

Oklahoma, No. 2 behind Ohio State last week, made its bid for the main berth by overwhelming Missouri, 41-7. Stan Heath was the hero.

Babe Parilli, throwing five touchdowns, passed Kentucky to an 83-0 rout of North Dakota. Princeton added to its growing prestige by humbling Yale, 47-12.

Army was unable to unleash its full striking power at Palo Alto because of a driving rainstorm and had to be content with a hard-earned 7-0 victory over Stanford.

ARNOLD DOWNS MOUNT ELEVEN

Mt. St. Mary's college closed its 1950 football campaign Sunday afternoon when it bowed to Arnold college of Milton, Conn., 13-8, a pair of passes giving the victors' their touchdowns.

Couch Law's Mountaineers scored a safety in the opening period when Webb, Arnold halfback, was tossed behind the goal line by Stanche and Borsuk of the Mounts.

Arnold took the lead in the second period when it recovered a fumble on the Mt. St. Mary's 12-yard mark from where Tosches passed to Webb for a score.

Paul Cullum sparked a Mountaineer drive in the third quarter and finally went over from the 12 to put the Marylanders ahead 8-6. However, a pass, Tosches to Sette, which covered 53 yards, gave the host team its winning TD in the final period.

During the season the Mounts won one, lost five and tied one.

PICKED FOR TOURNEY
Miss Grace Kenney, girls' physical education instructor at Gettysburg college, was chosen on the first team to represent the Mid-East Girls' Field Hockey association in the national tournament at Rochester, N. Y., during the Thanksgiving week-end, in selections made at the tournament held over the week-end.

Many Local Fans To Back Bullets On Turkey Day

Gettysburg college's football team will likely have a good backing when it invades Lancaster on Thanksgiving Day to meet its old rival, unbeaten Franklin and Marshall.

The advance sale of reserved tickets is reported as good at the college athletic office and Britcher and Bender drug store. There are still plenty of tickets available at both places at \$2.10 each.

F. and M. rules the favorite to win the annual classic as the result of its eight straight victories without defeat. The Diplomats have one of the finest defensive records in the country, having been unscathed in the last six games while yielding but a total of 21 for the season.

ENGINEERS TO VOTE TODAY ON SUN BOWL BID

Philadelphia, Nov. 20. (AP)—Lehigh's unbeaten Engineers and Penn's steadily improving Quakers gave the state's football fans plenty of reason to gloat over the week-end.

Lehigh swamped traditional rival Lafayette 38-0 to wind up its first unsullied season in 67 years and head for an almost certain date in the Sun Bowl at El Paso, Texas, New Year's Day.

West Texas State has already been named host team for the Sun Bowl and Lehigh reportedly is considering a bid today.

Penn.—beaten only by Rose Bowl-bound California and mighty Army this year—trounced Wisconsin 20-0 in a game that gave the lie to the old saw "Big Ten teams always find Ivy league competition easy pickings."

Penn.'s captain, Francis (Reds) Bagnell scored two of the three touchdowns and set up the third to add to his stature as an All-America candidate.

Pittsburgh's Panthers, in the throes of a football comeback, took on another tough opponent in Michigan State and lost 19-0.

Penn State nosed out Rutgers 18-14, thanks to a 28-yard scoring run by Tony Orsini with only six minutes remaining.

Temple's Owls appeared a shoe-in to beat Fordham going into the final period. Then Fordham scored three touchdowns to win 26-21 in a thrilling comeback sparked by the East's leading passer, Dick Doheny. Carnegie Tech, losers only to Lehigh this year, dumped Westminster 20-0 to wind up the Skisbos most successful campaign in many a year. Carnegie Tech won seven this fall.

Villanova, a once mighty eleven but short on talent this year, took some its bitterness out on Boston college to win 29-7. Pete D'Alonzo scored three of the Wildcats' touchdowns.

Haverford took advantage of a fourth quarter Swarthmore fumble and went on to score the touchdown that gave the Main Line school a 13-6 victory.

Bucknell ran wild in the first quarter against Delaware and was held scoreless the rest of the way in winning 13-0.

The National Aggies provided Locoming with its first win in eight starts this year. Locoming wound up its season with a 41-6 triumph.

Grove City, moaning a seven-game losing streak, came through in its season's finale to whip Bethany (W. Va.) 14-0.

Washington and Jefferson, trying to chalk up its first win of the campaign failed in the attempt as the Presidents lost to Ohio Wesleyan 27-7.

L. A. RAMS NEAR 4TH WESTERN PRO GRID TITLE

New York, Nov. 20 (AP)—The Los Angeles Rams will send the greatest point-making machine in pro football history against the Chicago Bears next Sunday in an effort virtually to clinch their second straight Western Division title.

Never in the long and storied past of the tradition-rich National league has there been a team that has scored so often—or with such devastating suddenness.

You can ask the New York Yanks about that. Bob Waterfield and Norman Van Brocklin threw red-hot footballs through, over and around them yesterday, and the result was a sensational 43 to 35 victory for the rollicking Rams.

Have 401 Points

The triumph gave Los Angeles an 8-2 slate and a record-busting 401 points for the season's work, now, if they whip the Bears (7-2), and the Yanks (6-3) drop one of their remaining three games, it'll be all over. The Bears warmed up for Sunday's showdown with a 17-0 victory over San Francisco.

Things are pretty much the same in the American division, where the Cleveland Browns hold the upper hand.

The Browns (8-2) just did get past Washington, 20-14, yesterday and now can sit back and watch while the New York Giants (7-2) and Philadelphia Eagles (6-3) go at it next Sunday.

Giants Beat Colts

The Giants, "mystery" team of the NFL, staged a remarkable comeback in whipping the Baltimore Colts, 55-20. After trailing by 13 points at halftime, the New Yorkers scrapped their patented "A" and reverted the traditional "T" and crashed over seven touchdowns.

The Eagles weren't as fortunate. They were upset, 14-10, by the Chicago Cardinals when Don Paul raced 82 yards with a third-period punt.

In the only other game, the in-and-out Detroit Lions shaded the down-and-out Green Bay Packers, 24-21, as Dock Walker scored all the winners' points.

Television Strike Settlement Reached
New York, Nov. 20 (AP)—Last-minute network concessions yesterday avoided what would have been the first coast-to-coast strike in the television industry.

The settlement came only 35 minutes before actors, singers, dancers and announcers of the AFL Television Authority were to march against three networks and New York Station WOR-TV, which originates one network program.

The fourth big network, the National Broadcasting Co., had escaped the strike threat earlier through continued negotiations and an agreement that paved the way for the industry-wide settlement. The other networks are Columbia, American and Dumont.

The strike would have involved 25,000 TV entertainers, grouped in five unions, and all represented in television by the authority.

Chicago, Nov. 20 (AP)—A major revamping of America's mobilization setup—with a louder voice for labor—was demanded today by the CIO.

The demand came from President Philip Murray as the CIO opened its twelfth national convention in the Palmer House, He made it in his report to the 600 delegates representing some 6,000,000 CIO members.

Murray concentrated so much of his 72-page report on the mobilization program that he made it obvious he considers it labor's most urgent item of business.

with the people. He exemplified the line of Pope "The proper study of man is man". He observed those about him and grew steadily in knowledge and in his grasp of the pulse of the nation.

Faced Difficult Task

"He came to the presidency with an onerous task upon him. He had to satisfy the political leaders who had made promises that were not easy to fulfill. He had the pre-war problem of attempting to keep the people of the south in good humor so that war could be avoided. Why at the beginning of his term he avoided speeches so that nothing he would say would precipitate war."

"He had within him a struggle between three basic loyalties. The belief that the Union must at all costs be preserved, his great belief in the constitution and his great belief in freedom."

"The constitution mentions slavery and gave it a certain amount of protection and thus Lincoln had tolerated it. It was only when it became clear that slavery must be abolished to preserve the union that he moved to get rid of slavery."

Runkel Is Toastmaster

John H. Runkel, Harrisburg, past national Commander in Chief of the Sons of Union Veterans was toastmaster for the Past Commander's program, Charles Crosley, president of the Past Commanders association, gave the address of welcome and Fred Pfeffer delivered Lincoln's Gettysburg address. Among those who were introduced and spoke briefly were Mrs. Anna Houseman, Altoona, department president of the Ladies of the GAR; Mrs. Florence Stevens, Wilkes-Barre, department president of the Daughters of Union Veterans; Mrs. Lottie Trumbower, department president of the Auxiliary of the SUV and Robert E. Belcamp, Mt. Carmel, department president of the Sons of Union Veterans.

Mrs. Lulu Strausbaugh was chairman of the committee in charge of the event.

Miss Lost Freedoms

"This is the same old story; men seldom appreciate their blessings until they have lost them. In this instance at least, men who have lost and others who have known liberty, liberty and unbelievable freedom such as we enjoy as Americans, have been encouraged to strive for a chance to embrace that which they have denied."

"Comparisons certainly are not necessary, but consider if you will in the realm of our religious experience. How many of us who profess to be Christians actually and fervently embrace Jesus as their personal Lord and saviour? We listen, talk and many of us go to church. Yet do we sincerely believe and accept the Lord Jesus as God, our God? Could we hold to such a conviction and do so little to further His kingdom here on earth?"

Awaken Responsibility

"We do much the same with Lincoln's ideas and message as also with other significant declarations of all truly great leaders. Why? Because some are lukewarm, others

careless, some doubt, yet others are just plain lazy. Should we be discouraged? Where would we be today if we did not keep everlastingly trying?

"But how much greater and better would the world be today if that spark which Lincoln struck here four score and seven years ago had found tinder and fuel in our hearts and burned into brilliant fire. Such a warming fire in us should awaken our responsibility to protect and guard our freedoms. We would not only understand and appreciate our liberty and freedom which our forefathers struggled to gain for us, but we would continue to struggle to gain the same for others."

WON'T HEAR GOP TAX PROPOSALS

Washington, Nov. 20 (AP) — House Ways and Means committee Democrats refused today to hear testimony on a Republican-proposed substitute for the administration's \$4,000,000,000 excess profits tax plan.

By vote of 15 to 10—the party division on the committee—the group rejected a motion by Rep. Reed of New York that business witnesses be allowed to give their views on alternative proposals.

Reed, top Republican on the committee, has proposed a substitute plan that would let a taxpayer compute his excess profits tax by applying a 27 per cent tax on normal net income and a 28 per cent surtax on excess income over \$25,000.

The administration proposes a 75 per cent tax on profits determined to be excessive when compared with 1946-1949 earnings.

Today's committee vote reiterated a previous ruling that witnesses must confine their testimony to excess profits taxation.

Within that limitation, business spokesmen opposing an excess profits tax have confined their testimony to suggestions on how such a tax should be framed if there must be one.

Reed made his motion as Charles J. Shigh, Jr., chairman of the taxation committee of the National Association of Manufacturers, started to testify. The NAM is opposing excess profits taxation on the grounds it is unworkable, inflationary and unfair.

Letter to the Editor

The Gettysburg Times.
Dear Sir:

Not too long ago, the Gettysburg borough authorities were severely, but rightly criticized for neglecting to keep "Old Glory" flying regularly on the flagpole above the fire engine house, and if I am not mistaken, the criticism came from the members of the Gettysburg encampment of the Sons of Union Veterans.

Yesterday being the 87th Anniversary of the dedication of our National Cemetery by President Abraham Lincoln, it was the day of all days to fly our country's flag from every flagpole and public building in the nation, as well as in Gettysburg.

The regulation for flying the flag of the United States plainly states that the national colors shall be raised after sunrise of each day, weather permitting, and lowered before sunset. Military posts raise and lower the colors by time schedule, with proper music and ceremony, but civilian flying of the colors coincide with the light of day, and the "after sunrise" part of the accepted regulations does not mean somewhere around the noon hour.

Despite the fact that Sunday was my day off, I made it my business to raise the colors over the fire engine house at exactly 7:10 a.m. The flagpole in front of the G.A.R. or S.U.V. post house was barren of any flag at 8 a.m., 9 a.m., 10 a.m., but somebody must have tipped the Colonel off at that hour, because I checked again at 11:15 a.m., Old Glory was waving proudly in the breeze.

At no time during the day did the flag of Our Country, the most beautiful flag of the world's most free nation, grace the flagpole of the local citadel of Federal Government, the United States Post Office, where several S.U.V. members are employed. The Post Office Department may have a regulation that forbids flying of the flag on the Sabbath, but I never heard of it, and the weather was lovely and just breezy enough to hold Old Glory straight out from the pole for all to see and feel proud of that "This Nation Shall Long Endure."

I am not one to criticize forgetfulness of others, but it is my opinion that the Marines and G.I.s in the foxholes of Korea would appreciate it very much if we who stay back here would get on the ball and fly the Stars and Stripes at the top of every flagpole at all times during the daylight hours of every day, because the very sight of that wonderful flag makes me glad that I am an American and that I live in the only country in the world where the people have the four freedoms, and I know it makes all of you feel the same way.

If the flag can be flown over our Lincoln Square, our hotels, our American Legion and V.F.W. homes, and over our memorial battlefield and our National Cemetery on Sunday as well as on every week day, it can surely be flown over our G.A.R. home and our Post Office.

The Gettysburg Times

ONE HUNDRED YEARS AGO
At the Court of Quarter Sessions in this place, James Wade was convicted of Larceny, in taking and concealing the money of Samuel Durbin, Esq., and sentenced to two years' solitary confinement in the Eastern Penitentiary.

Samuel A. Neely, of Gettysburg, has been appointed by the Court, Auditor, under the Act of 1846, to examine the dockets and accounts of the public officers of Adams county.

Married: On the 20th inst., by the Rev. Dr. Baugher, Mr. John Shank, to Miss Mary Webb, both of Emmitsburg, Md.

On the 26th inst., by Rev. Mr. Scheurer, Mr. Jacob Kohler to Miss Elizabeth Senf—both of this county.

On the 15th of October, at Conowago Chapel, by Rev. Mr. Cotten, Mr. Michael McCarty, to Miss Catharine McLaughlin—both of this place.

Bank of Gettysburg: At the election on Monday, the following gentlemen were chosen Directors for this Institution for the ensuing year:

George Swope, Henry Shriver, Jacob Young, Henry Wirt, Henry Myers, Wm. Douglass, Wm. Gardner, Lewis M. Mottler, Alex. S. Himes, Samuel Miller, John Houck, Jacob Reese, Geo. Metzger.

The steamer Crescent City arrived at New York on Thursday. She has 350 passengers, and brings a million and a half of gold dust. The cholera had broken out in the mining district, and persons were dying with fearful rapidity. There was much dread of the disease at San Francisco, and many were leaving. The news from the overland immigrants is most distressing. It is estimated that more than 20,000 were beyond the desert, destitute and suffering indescribable distress. The weary, hungry and fatigued were lying down to die on the road.

SEVENTY-FIVE YEARS AGO
Thanksgiving Services: Arrangements have been made for union services on Thanksgiving day in the Reformed church in this place, at 10 o'clock, A.M.

Accepted: Rev. J. K. Demarest has accepted the call as pastor of the Presbyterian church of this place, and on the Sabbath will commence his ministerial duties.

Married: Cullison-McGennes—On the 19th inst., by the Rev. E. Breidenbaugh, George W. Cullison to Miss Ellen McGennes, both of Adams county.

Funt-Wentz: On the 14th inst., by Rev. H. P. Long, Mr. Levi B. Funt, of McKnightstown, to Miss Sarah I. Wentz, of Franklin township.

Lerew-Frazer: On the 16th inst., in York Springs, at the residence of George A. Peters, Esq., by Rev. S. A. Hedges, Mr. Eli Lerew to Miss Ellen M. Frazer, both of York Springs.

Walter-Myers: On the 13th inst., by Rev. A. J. Heller, Mr. George W. Walter, of Arenaville, to Miss Annie M. Myers, of Bechersville.

Winterode-Snyder: On the 16th inst., in Littleton, by Rev. John Ault, Mr. Charles Winterode, of Littleton, to Miss Rebecca Snyder, youngest daughter of Henry Snyder, of Bonneauville.

Stahle-Wolf: On Tuesday morning in the Reformed church, by Rev. Dr. Kieffer, Mr. Thomas J. Stahle, to Miss Emma M. C. Wolf, daughter of Mr. Samuel Wolf, of this place.

Stallsmith-Johns: On Tuesday morning in St. James Lutheran church, by Rev. Dr. Steck, Mr. Levi H. Stallsmith to Miss Alice L. Johns, daughter of Mr. Jonas Johns, all of this place.

A Fair and Festival will be held by the ladies connected with the A. M. E. Zion church in the old church, between Washington street and the Fair grounds, commencing on Thanksgiving day, and continuing three days, for the benefit of the pastor. LOVE AT FOURTH SIGHT

Famous is the expression "love at first sight." Undoubtedly the world has been made happier by the many instances of such an experience. But I believe a more substantial love, and one far more mature, is that love at second, third—or fourth sight!

In our youth we read a book and are thrilled by it. In middle life we read it again, and we doubly enjoy it on second reading at a more mature time of life. Or we read that same book again in our old age, and it still gives enjoyment, hope, or comfort.

Somerset Maugham recently gave a list of books that have been favorites of his during a long life, and remarked that there were several he was going to read again as a fitting close to his life of enjoyment with books. He named Tolstoy's "War and Peace," as among them.

I am reminded of another interesting instance of the final love of literature. It is said that perhaps the finest translation of Marcus Aurelius was made by Thoms Gataker, who, in extreme old age, considered this task of translation as "his best preparation for approaching death."

How many a painted masterpiece has aroused our love, not alone at fourth sight, but at many times that. And how many a story do we read in our newspaper of love at the golden fiftieth year sight! It's the love that lives and lingers throughout a long life that is the substantial love.

It is good to look upon things that always seem to be wrapped in beauty, and realize that their love value never grows less, but always richer. It's the same with our friends whom we have known over long periods. That love at first sight tarnishes not, but keeps growing with a comforting glow with the addition of each year.

Like that little candle Shakespeare wrote about — throwing it beams afar — so does our love for things and people, at first sight, keep spreading its light and beauty from the heart into an endless number of other lives, so that the second, third, fourth and continuing sights, grow and increase in richness, and experience.

Tomorrow Mr. Adams will talk on the subject: "Do The Thing Most Wanted"

Just Folks

By EDGAR A. GUEST

MORE IMPORTANT THAN THINGS

In vain are all the things we make
For luxury and comfort's sake,
If having them, home falls apart,
Missing the loving mind and heart.

The walls of home, however stout
And trim, cannot keep anger out.
The best machine that sweeps the floor
Will smile at no one at the door.

The wheels and gears that smoothly run
Will get the tedious labors done,
But home requires the care that springs
From hearts and not invented things.

The faith, the courage and the grace
That make the home a restful place,
The smile once more when tears are dried
Devotion only can provide.

At Bonneauville for the benefit of St. Joseph's Catholic church was quite a success, being liberally patronized. On Saturday evening three bands were present—Littleton, White Hall and New Oxford. The net proceeds amounted to near \$1,000.

Whilst the Rev. Mr. Koontz was preaching at the protracted meeting in progress at Mt. Tabor, near Bondeville, his horse and buggy disappeared from the neighborhood of the church, and although a thorough search was made, the missing property has not been found.

Gov. Hartranft appointed Hon. Edward McPherson one of the representatives to the National Convention to be held in St. Louis to consider the subject of the construction of a Pacific railroad through the States and territories of the southwest, but Mr. McPherson was unable to attend, by reason of pressing duties, claiming attention, preparatory to the approaching meeting of Congress.

Vice President Wilson Dead!!
On Monday morning (Nov. 22) the country was startled by telegrams from Washington announcing the death of Henry Wilson, Vice President of the United States, in his room at the Capitol, where he was suddenly stricken down two weeks before. His physicians thought he was improving and expected him to be able to leave for Massachusetts this week. . . .
A post-mortem examination by physicians gave apoplexy as the cause of the Vice President's death.

NEW SECTION OF TURNPIKE OPENS TODAY

Carlisle, Pa., Nov. 20 (AP)—The Pennsylvania Turnpike commission threw open the gates on its new eastern extension to Philadelphia today, marking a new milestone in commonwealth transportation history.

Simultaneously at 7 a.m. barricades were torn down at all interchanges along the new 160-mile \$87,000,000 extension. Traffic immediately began to flow over the four-lane concrete ribbon.

Beauford S. Swartz, 48-year-old Middlesex Pa. inkeeper, who was the second man to enter the original 160-mile turnpike from Carlisle to Irwin ten years ago, was the first man to pass through the Eastern extension interchange here.

Trucks, Busses Need Permission
"I couldn't quite make the distinction of being the first on the new superhighway," said Swartz, "so I made up my mind to be the very first on this road." He was on hand before 6 a.m. to await the opening of the road.

Promptly at 7 a.m., as the barrier across the new extension was pulled aside by state police, a stream of truck and passenger traffic from the west began to roll eastward to King of Prussia, 12 miles west of Philadelphia.

Turnpike officials expressed the opinion, however, that trucks and busses won't begin to use the new extension in large numbers for about two weeks. They must get permission from the Interstate Commerce commission in Washington.

Heavy patrols of State police were in evidence along the length of the new road to keep a close check on opening-day traffic.

Now 260 Miles Long
Formal opening of the new road marked completion of the second link in a border-to-border expansion of the famed superhighway. The third link, a 67-mile western extension from Irwin to the Ohio border, is now under construction and tagged for completion late in 1951.

However, a 16-mile section of the western extension, from the present western terminus at Irwin, is expected to be open early in 1951.

The eastern extension was started in 1948 and required 25 months to complete. It increases the length of the turnpike to 260 miles of uninterrupted travel.

One Interchange Incomplete
All nine interchanges on the new eastern arm, except for the Gettysburg pike, were put into service to receive and discharge traffic. The Gettysburg pike interchange has yet to be completed.

Western bound trucks were barred from the section of the extension between King of Prussia terminus and Downingtown. Construction work on Route 23 near the King of Prussia terminus made this necessary. The work is expected to be completed in about two weeks. In the interim, westbound trucks have to enter the turnpike at Downingtown or an interchange farther west.

Although all gasoline stations, except the Brandywine station between Morgantown and Downingtown, were open for business, restaurants will remain closed until further construction work is finished.

The automobile toll rate from Carlisle to King of Prussia is \$1.20, and the rate for tractor trucks with semi-trailers, \$5. The rate for the entire 260-mile length of the turnpike—from King of Prussia to Irwin—is \$2.50 for cars and \$15.50 for semi-trailers.

The commission has estimated it will obtain revenues totaling \$3,780,000 during the first year of operation of the eastern extension.

The toll schedule by interchanges from Carlisle to King of Prussia is (passenger cars first, then trucks with semi-trailers):
Carlisle to Gettysburg pike, 15 and 50 cents; to Harrisburg-west 20 and 85 cents; to Harrisburg-east, 30 cents and \$1.15; Lebanon-Lancaster, 50 cents, \$2.10; Reading, 70 cents, \$3.10; Morgantown, 85 cents, \$3.65; Downingtown, \$1, \$4.35; Valley Forge, \$1.20, \$5.

First singing of the Marine Corps hymn was during the Mexican War. The lyrics were composed by an unknown poet of the Corps who used the music of an old French opera tune, in 1847.

ADMINISTRATOR—
Dr. Alan Valentine, former University of Rochester president, was named administrator of the new Economic Stabilization Agency.

Is Rescued From Foundered Boat

Leonardo, N. J., Nov. 20 (AP)—A man standing up to his waist in 18 feet of water two miles at sea waved at Nick Tortorella Saturday. Tortorella waved back as the fishing cruiser he was on chugged past. Then Nick let out a yell.

The boat stopped and a line was thrown to Albert Pick. He told his rescuers his boat was swamped and he had been standing on the foundering craft for three hours waiting for help.

FINE WORKS ON NEW CABINET

Miami Beach, Fla., Nov. 20 (AP)—Governor-Elect John S. Fine of Pennsylvania arrived here today for what he said would be a two-week "working holiday." While here he said he will tackle construction of a new cabinet and give attention to executive and legislative problems.

He also planned conferences with Pennsylvania Republican leaders to discuss building the GOP into a high-powered force for the 1952 Presidential election.

Before he left Philadelphia yesterday, the Pennsylvania governor-elect said it is his belief that "substantial progress" has been made in "reconstructing" the Republican party, but "more spadework" probably would be done before his return north.

Fine and his party are the house guests here of former Pennsylvania State Senator Andrew J. Sordani, of Luzerne county.

Included in the governor-elect's party are his wife and their two sons, Donald and John; Mrs. Fine's brother-in-law and sister, Mr. and Mrs. D. T. Morgan, of Wilkes-Barre, Pa.; Pennsylvania State Republican chairman and Mrs. M. Harvey Taylor, of Harrisburg, Pa.; Pennsylvania State Senate Majority Leader and Mrs. John M. Walker, of Pittsburgh, and Duncan McCallum, of Armstrong county, Pa., who is scheduled to be selected Fine's executive secretary.

Republican circles in Pennsylvania expect Fine to retain at least five members of the official family of Governor James H. Duff, Pennsylvania's senator-elect. These five are State Secretary of Highways Ray F. Smock, State Secretary of Agriculture Miles Horst, Adjutant General Frank A. Weber, State Secretary of Revenue Otto F. Messner and State Police Commissioner C. M. Wilhelm.

DROP AD LINE FOR TELEVISION

New York, Nov. 20 (AP)—An advertising "line" that children feel socially inferior without a television set in their homes has been abandoned by the American Television Dealers and Manufacturers.

Their act came after criticism of the first of a series of five planned advertisements. Parents, religious groups and some advertising leaders condemned the ads for exploiting fear of social ostracism.

"There is no question but that the first advertisement was 'out of bounds' so far as taste was concerned," said S. J. Schwin, executive committee chairman of the advertising agency that prepared it, Ruthrauff and Ryan, Inc.

Schwin said yesterday the "negative" angle had been eliminated from the remaining four ads and that they would stress "positive" joys of TV only.

Mrs. Franklin D. Roosevelt, who had authorized the use of a statement praising television for the series, said the first ad was "horrible." She said she had ordered her name withheld from future ads pending her approval on them. However the second advertisement appeared today, carrying her statement. It praises TV as an aid to children's education when properly supervised by the parents.

York Negress Held In Fatal Stabbing

York, Pa., Nov. 20 (AP)—Mrs. Mable Rosaline Smith, 23, was held in York county jail on a murder charge in the fatal stabbing of her husband, Charles Smith, 32.

Morton Kagen, assistant district attorney, said the woman, a negro, signed a statement admitting she plunged an eight-inch butcher knife into her husband's chest.

Kagen said the stabbing followed an argument between the two over one of their adopted children staying overnight with friends.

FARM AND GARDEN DEN NEWS SECTION

Winter Passes Quickly for Window Garden Hobbyists

Amateur gardeners may practice their hobby all winter, gaining both pleasure and valuable experience, by forcing flowers into bloom for a window garden.

A great variety of flowers may be forced into bloom indoors with little trouble. Arranged on shelves near a sunny window, they will keep fresh throughout the winter the memory of sunny days.

Experience in growing flowers indoors is of value in outdoor operations, too. The gardener sees at close hand the progress of the plants, and learns how gratefully

they respond to intelligent care.

The easiest plants to grow indoors are the fall bulbs, both the hardy kinds, which are grown in gardens, and tender varieties which will not stand our winters, but grow vigorously indoors.

Some of them need potting in soil, others can be grown in bowls with fibre, moss, or even pebbles and water. Select them according to the experience you have had, and the attention you are willing to give them. It is easiest to grow those which flower in pebbles and water, but more interesting, and a better

test of your gardening skill, to bring into flower those which require soil. Most bulbs can be grown in soil, a smaller number in fibre, and still fewer in water with pebbles, or moss. To begin with the latter, they include the tender narcissi known as Paper Whites (white), Soliel d'Or (yellow), and Chinese sacred lilies; the larger size hyacinths, and lilies of the valley.

In bulb fibre, which is a mixture of peat and plant food, it is possible to grow in bowls without drainage scillas.

In pots with soil all the above can be grown, together with all garden tulips and narcissi, amaryllis and hyacinths.

From this list one may select a pleasing assortment of colors and shapes, to decorate the winter garden. By starting bulbs in succession, a bowl or pot may be replaced as soon as its flowers fade and a continuous display maintained throughout the season.

A south wall is the best place to plant your snowdrops. Put them near a window, and you will wake up some sunshiny February or March morning and find them in bloom.

Bulbs need plant food. Before spading a bed, spread over it 4 pounds of balanced chemical plant food for each 100 square feet, and spade it under.

In 1421, approximately 160,000 lives were lost when huge sea waves burst the dikes protecting the Netherlands and destroyed 72 villages.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO
At the Court of Quarter Sessions in this place, James Wade was convicted of Larceny, in taking and concealing the money of Samuel Durbin, Esq., and sentenced to two years' solitary confinement in the Eastern Penitentiary.

Samuel A. Neely, of Gettysburg, has been appointed by the Court, Auditor, under the Act of 1846, to examine the dockets and accounts of the public officers of Adams county.

Married: On the 20th inst., by the Rev. Dr. Baugher, Mr. John Shank, to Miss Mary Webb, both of Emmitsburg, Md.

On the 26th inst., by Rev. Mr. Scheurer, Mr. Jacob Kohler to Miss Elizabeth Senft—both of this county.
On the 15th of October, at Conewago Chapel, by Rev. Mr. Cotten, Mr. Michael McCarty, to Miss Catharine McLaughlin—both of this place.

Bank of Gettysburg: At the election on Monday, the following gentlemen were chosen Directors for this institution for the ensuing year:

George Swope, Henry Shriver, Jacob Young, Henry Wirt, Henry Myers, Wm. Douglass, Wm. Gardner, Lewis M. Motter, Alex. S. Himes, Samuel Miller, John Houck, Jacob Reese, Geo. Metzger.

The steamer Crescent City arrived at New York on Thursday. She has 350 passengers, and brings a million and a half of gold dust. The cholera had broken out in the mining district, and persons were dying with fearful rapidity. There was much dread of the disease at San Francisco, and many were leaving. The news from the overland immigrants is most distressing. It is estimated that more than 20,000 were beyond the desert, destitute and suffering indescribable distress. The weary, hungry and fatigued were lying down to die on the road.

SEVENTY-FIVE YEARS AGO
Thanksgiving Services: Arrangements have been made for union services on Thanksgiving day in the Reformed church in this place, at 10 o'clock, A.M.

Accepted: Rev. J. K. Demarest has accepted the call as pastor of the Presbyterian church of this place, and on the Sabbath will commence his ministerial duties.

Married: Cullison-McCormick.—On the 18th inst., by the Rev. E. Breidenbaugh, George W. Cullison to Miss Ellen McCormick, both of Adams county.

Funt-Wentz.—On the 14th inst., by Rev. H. P. Long, Mr. Levi B. Funt, of McKnightstown, to Miss Sarah I. Wentz, of Franklin township.

Lewy-Frazier.—On the 16th inst., in York Springs, at the residence of George A. Pettes, Esq., by Rev. S. A. Hedges, Mr. Eli Lerew to Miss Ellen M. Frazier, both of York Springs.

Walter-Myers.—On the 18th inst., by Rev. A. J. Heller, Mr. George W. Walter, of Arendtsville, to Miss Annie M. Myers, of Beecherville.

Stallsmith-Johns.—On Tuesday morning in St. James Lutheran church, by Rev. Dr. Steck, Mr. Levi H. Stallsmith to Miss Alice L. Johns, daughter of Mr. Jonas Johns, all of this place.

A Fair and Festival will be held by the ladies connected with the A. M. E. Zion church in the old church, between Washington street and the Fair grounds, commencing on Thanksgiving day, and continuing three days, for the benefit of the pastor. Supper will be served every evening to those desiring it for 25 cents.

LOVE AT FOURTH SIGHT
Famous is the expression "love at first sight." Undoubtedly the world has been made happier by the many instances of such an experience. But I believe a more substantial love, and one far more mature, is that love at second, third—or fourth sight!

In our youth we read a book and are thrilled by it. In middle life we read it again, and we doubly enjoy it on second reading at a more mature time of life. Or we read that same book again in our old age, and it still gives enjoyment, hope, or comfort.

Somerset Maugham recently gave a list of books that have been favorites of his during a long life, and remarked that there were several he was going to read again as a fitting close to his life of enjoyment with books. He named Tolstoy's "War and Peace," as among them.

I am reminded of another interesting instance of the final love of literature. It is said that perhaps the finest translation of Marcus Aurelius was made by Thomas Gaisler, who, in extreme old age, considered this task of translation as "his best preparation for approaching death."

How many a painted masterpiece has aroused our love, not alone at fourth sight, but at many times that. And how many a story do we read in our newspaper of love at the golden-fiftieth year sight! It's the love that lives and lingers throughout a long life that is the substantial love.

It is good to look upon things that always seem to be wrapped in beauty, and realize that their love value never grows less, but always richer. It's the same with our friends whom we have known over long periods. That love at first sight tarnishes not, but keeps growing with a comforting glow with the addition of each year.

Like that little candle Shakespeare wrote about—throwing it beams afar—so does our love for things and people, at first sight, keep spreading its light and beauty from the heart into an endless number of other lives, so that the second, third, fourth and continuing sights, grow and increase in richness, and experience.

Tomorrow Mr. Adams will talk on the subject: "Do The Thing Most Wanted"

Just Folks

By EDGAR A. GUEST

MORE IMPORTANT THAN THINGS

In vain are all the things we make for luxury and comfort's sake. If having them, home falls apart, Missing the loving mind and heart.

The walls of home, however stout And trim, cannot keep anger out. The best machine that sweeps the floor Will smile at no one at the door.

The wheels and gears that smoothly run Will get the tedious labors done. But home requires the care that springs From hearts and not invented things.

The faith, the courage and the grace That make the home a restful place: The smile once more when tears are dried Devotion only can provide.

At Bonneauville for the benefit of St. Joseph's Catholic church was quite a success, being liberally patronized. On Saturday evening three bands were present—Littlestown, White Hall and New Oxford. The net proceeds amounted to near \$1,000.

Whilst the Rev. Mr. Koontz was preaching at the protracted meeting in progress, at Mt. Tabor, near Bensenville, his horse and buggy disappeared from the neighborhood of the church, and although a thorough search was made, the missing property has not been found.

Gov. Hartman appointed Hon. Edward McPherson one of the representatives to the National Convention to be held in St. Louis to consider the subject of the construction of a Pacific railroad through the States and territories of the southwest, but Mr. McPherson was unable to attend, by reason of pressing duties, claiming attention, preparatory to the approaching meeting of Congress.

Vice President Wilson Dead!!
On Monday morning (Nov. 20) the country was startled by telegrams from Washington announcing the death of Henry Wilson, Vice President of the United States, in his room at the Capitol, where he was suddenly stricken down two weeks before. His physicians thought he was improving and expected him to be able to leave for Massachusetts this week.

A post-mortem examination by physicians gave apoplexy as the cause of the Vice President's death.

NEW SECTION OF TURNPIKE OPENS TODAY

Carlisle, Pa., Nov. 20 (AP)—The Pennsylvania Turnpike commission threw open the gates on its new eastern extension to Philadelphia today, marking a new milestone in commonwealth transportation history.

Simultaneously at 7 a.m. barricades were torn down at all interchanges along the new 100-mile \$87,000,000 extension. Traffic immediately began to flow over the four-lane concrete ribbon.

Benjamin S. Swartz, 48-year-old Middlesex P. A. m. k. keeper, who was the second man to enter the original 100-mile turnpike from Carlisle to Irwin ten years ago, was the first man to pass through the Eastern extension interchange here.

Trucks, Buses Need Permission
"I couldn't quite make the distinction of being the first on the first superhighway," said Swartz, "so I made up my mind to be the very first on this road." He was on hand before 6 a.m. to await the opening of the road.

Promptly at 7 a.m., as the barrier across the new extension was pulled aside by state police, a stream of truck and passenger traffic from the west began to roll eastward to King of Prussia, 12 miles west of Philadelphia.

Turnpike officials expressed the opinion, however, that trucks and buses won't begin to use the new extension in large numbers for about two weeks. They must get permission from the Interstate Commerce commission in Washington.

Heavy patrols of state police were in evidence along the length of the new road to keep a close check on opening-day traffic.

Now 260 Miles Long
Formal opening of the new road marked completion of the second link in a border-to-border expansion of the famed superhighway. The third link, a 67-mile western extension from Irwin to the Ohio border, is now under construction and tagged for completion late in 1951.

However, a 16-mile section of the western extension, from the present western terminus at Irwin, is expected to be open early in 1951.

The eastern extension was started in 1948 and required 25 months to complete. It increases the length of the turnpike to 260 miles of uninterrupted travel.

One Interchange Incomplete
All nine interchanges on the new eastern arm, except for the Gettysburg pike, were put into service to receive and discharge traffic. The Gettysburg pike interchange has yet to be completed.

Western bound trucks were barred from the section of the extension between King of Prussia terminus and Downingtown. Construction work on Route 22 near the King of Prussia terminus made this necessary. Fine work is expected to be completed in about two weeks. In the interim, westbound trucks have to enter the turnpike at Downingtown or an interchange farther west.

Although all gasoline stations, except the Brandywine station between Morgantown and Downingtown, were open for business, restaurants will remain closed until further construction work is finished.

The automobile toll rate from Carlisle to King of Prussia is \$1.20, and the rate for tractor trucks with semi-trailers, \$5. The rate for the entire 260-mile length of the turnpike, from King of Prussia to Irwin, is \$3.30 for car, and \$15.50 for semi-trailers.

The commission has estimated it will obtain revenues totaling \$3,780,000 during the first year of operation of the eastern extension.

The toll schedule by interchanges from Carlisle to King of Prussia is (passenger cars first, then trucks with semi-trailers):

Carlisle to Gettysburg pike, 15 and 50 cents; to Harrisburg-west 20 and 85 cents; to Harrisburg-east, 30 cents and \$1.15; Lebanon-Lancaster, 50 cents, \$2.10; Reading, 70 cents, \$3.10; Morgantown, 85 cents, \$3.65; Downingtown, \$1.8433; Valley Forge, \$1.20, \$5.

First singing of the Marine Corp hymn was during the Mexican War. The lyrics were composed by an unknown poet of the Corps, who used the music of an old French opera tune, in 1847.

ADMINISTRATOR—Dr. Alan Valentine, former University of Rochester president, was named administrator of the new Economic Stabilization Agency.

Is Rescued From Foundered Boat

Leonardo, N. J., Nov. 20 (AP)—A man standing up to his waist in 15 feet of water two miles at sea waved at Nick Torrella Saturday.

Torrella waved back as the fishing cruiser he was on chugged past. Then Nick let out a yell.

The boat stopped and a line was thrown to Albert Nick. He told his rescuers his boat was swamped and he had been standing on the "foundering craft" for three hours waiting for help.

FINE WORKS ON NEW CABINET

Miami Beach, Fla., Nov. 20 (AP)—Governor-Elect John S. Fine of Pennsylvania arrived here today for what he said would be a two-week "working holiday."

While here he said he will tackle construction of a new cabinet and give attention to executive and legislative problems.

He also planned conferences with Pennsylvania Republican leaders to discuss building the GOP into a high-powered force for the 1952 Presidential election.

Before he left Philadelphia yesterday, the Pennsylvania governor-elect said it is his belief that "substantial progress" has been made in "reconstructing" the Republican party, but "more spadework" probably would be done before his return north.

Fine and his party are the house guests here of former Pennsylvania State Senator Andrew J. Sordani, of Luzerne county.

Included in the governor-elect's party are his wife and their two sons, Donald and John; Mrs. Fine's brother-in-law and sister, Mr. and Mrs. D. T. Morgan, of Wilkes-Barre, Pa.; Pennsylvania State Republican chairman and Mrs. M. Harvey Taylor, of Harrisburg, Pa.; Pennsylvania State Senate Majority Leader and Mrs. John M. Walker, of Pittsburgh, and Duncan McCallum, of Armstrong county, Pa., who is scheduled to be selected Fine's executive secretary.

Republican circles in Pennsylvania expect Fine to retain at least five members of the official family of Governor James H. Duff, Pennsylvania's senator-elect. These five are State Secretary of Highways Ray P. Smock, State Secretary of Agriculture Miles Horst, Adjutant General Frank A. Weber, State Secretary of Revenue Otto F. Messner and State Police Commissioner C. M. Wilhelm.

DROP AD LINE FOR TELEVISION

New York, Nov. 20 (AP)—An advertising "line" that children feel socially inferior without a television set in their homes has been abandoned by the American Television Dealers and Manufacturers.

Their act came after criticism of the first of a series of five planned advertisements. Parents, religious groups and some advertising leaders condemned the ads for exploiting fear of social ostracism.

"There is no question but that the first advertisement was out of bounds" so far as taste was concerned, said S. J. Schwinn, executive committee chairman of the advertising agency that prepared it, Ruthrauff and Ryan, Inc.

Schwinn said yesterday the "negative" angle had been eliminated from the remaining four ads and that they would stress "positive" joys of TV only.

Mrs. Franklin D. Roosevelt, who had authorized the use of a statement praising television for the series, and the first ad was "horrible," she said she had ordered her name withheld from future ads pending her approval on them.

However the second advertisement appeared today, carrying her statement. It praised TV as an aid to children's education when properly supervised by the parents.

York Negress Held In Fatal Stabbing

York, Pa., Nov. 20 (AP)—Miss Mable Roseline Smith, 23, was held in a York county jail on a murder charge in the fatal stabbing of her husband, Charles Smith, 32.

Morton Kagen, assistant district attorney said the woman, a negro, signed a statement admitting she plunged an eight-inch butcher knife into her husband's chest.

Kagen said the stabbing followed an argument between the two over one of their adopted children staying overnight with friends.

Winter Passes Quickly for Window Garden Hobbyists

Amateur gardeners may practice their hobby all winter, gaining both pleasure and valuable experience, by forcing flowers into bloom for a window garden.

A great variety of flowers may be forced into bloom indoors with little trouble. Arranged on shelves near a sunny window, they will keep fresh throughout the winter the memory of sunny days.

Experience in growing flowers indoors is of value in outdoor operations, too. The gardener sees at close hand the progress of the plants, and learns how gratefully they respond to intelligent care.

The easiest plants to grow indoors are the fall bulbs, both the hardy kinds, which are grown in gardens, and tender varieties which will not stand our winters, but grow vigorously indoors.

Some of them need potting in soil, others can be grown in bowls with fibre, moss, or even pebbles and water. Select them according to the experience you have had, and the attention you are willing to give them. It is easiest to grow those which flower in pebbles and water but more interesting, and a better

production up to profitable levels. In such cases, in addition to keeping mash before them all the time in self-feeding hoppers, it is advisable to give them a feeding of wet mash daily—all they will clean up in about an hour. This regular mash moistened well with warm water or liquid skim milk or buttermilk.

Hens will not lay profitably over winter if they must use most of their production up to profitable levels. In such cases, in addition to keeping mash before them all the time in self-feeding hoppers, it is advisable to give them a feeding of wet mash daily—all they will clean up in about an hour. FARM AND GARDEN NEWS SECTION

test of your gardening skill, to bring into flower those which require soil.

Most bulbs can be grown in soil, a smaller number in fibre, and still fewer in water with pebbles, or moss. To begin with the latter, they include the tender narcissi known as Paper Whites (white), Soler d'Or (yellow), and Chinese sacred lilies; the larger size hyacinths, and lilies of the valley.

In bulb fibre, which is a mixture of peat and plant food, it is possible to grow in bowls without drainage saucers.

In pots with soil all the above can be grown, together with all garden tulips and narcissi, amaryllis and hyacinths.

From this list one may select a pleasing assortment of colors and shapes, to decorate the winter garden. By starting bulbs in succession, a bowl or pot may be replaced as soon as its flowers fade and a continuous display maintained throughout the season.

A south wall is the best place to plant your snowdrops. Put them near a window, and you will wake up some sunshiny February or March morning and find them in bloom.

Bulbs need plant food. Before spading a bed, spread over it 4 pounds of balanced chemical plant food for each 100 square feet, and space it under.

In 1421, approximately 100,000 lives were lost when huge sea waves burst the dikes protecting the Netherlands and destroyed 72 villages.

STATE SUPREME COURT OKAYS GIBBS SENTENCE

Philadelphia, Nov. 20 (AP)—The State Supreme court today affirmed the death sentence for Lester Edward Gibbs, convicted of a Franklin and Marshall college stenographer last January 10. The high court denied Gibbs' appeal for a new trial.

Gibbs was convicted in Lancaster county court of the slaying of Marian Louise Baker. A 25-year-old GI college student, he had sought a new trial on grounds that the trial judge erred in instructing the jury.

The Supreme court, in an opinion by Chief Justice James B. Drew, said "it is quite clear that the jury was not deprived of the right to fix the degree of the crime."

No Errors Found
"The evidence in this case presents a picture of a brutal and ruthless crime committed by this defendant and fully justifies the extreme penalty imposed by the verdict of the jury," the court said. "We find no error in the record of this case. The sentence imposed should, therefore, be carried out."

In his opinion Justice Drew described how Miss Baker "was brutally slain by being beaten to death with a log wrench."

Confessed In Eight Days
Gibbs, member of a prominent Pitman, N. J., family, confessed the killing eight days later.

Gibbs said he met Miss Baker in downtown Lancaster on the afternoon of January 10, how he drove her out into an isolated spot outside the city and how he killed her. The body was not discovered until four days later. He told police he killed the girl "on an impulse."

Gibbs "admitted committing the crime January 18 and on that same day he signed a statement" telling how he killed Miss Baker, the opinion said.

"Under these circumstances," the opinion went on, "defendant concedes, as he must, that he properly deserves to be punished under the law. He contends, however, that because of the admission of certain evidence and because of certain alleged errors in the charge, he was precluded from having the jury determine the degree of his guilt."

Camp Stewart, Ga., Nov. 20 (AP)—Gov. James Duff of Pennsylvania is expected late today to inspect Pennsylvania National Guard troops in training at this big anti-aircraft base.

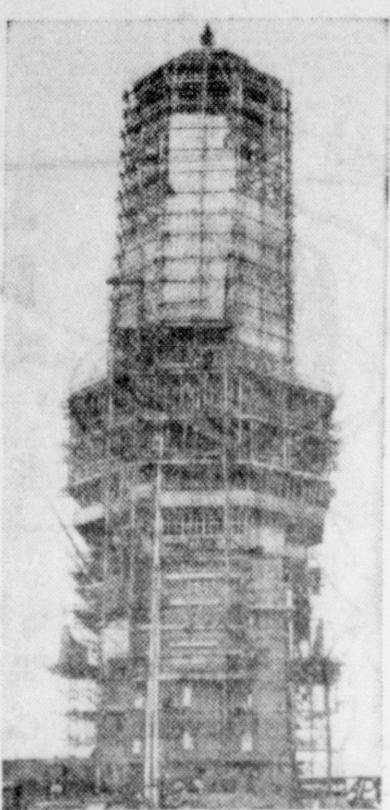

Duff, senator-elect, will be accompanied by his wife. They have been vacationing in Florida. They will be the guests of Brig. Gen. Charles C. Curtis, commanding general of the post, whose home is in Allentown, Pa.

Camp Atterbury, Ind., Nov. 20 (AP)—Cities and towns in Pennsylvania will be graced with an abundance of khaki brown to go with the red and green of the Christmas holiday season this year.

The khaki will be worn by former National Guardsmen enjoying a special 10-day Christmas furlough from training duties with the 28th Infantry Division. Leaves were announced after orders from Washington called for a 10-day suspension of all army training from December 23 to Jan. 1.

Fottsville, Pa., Nov. 20 (AP)—A jury of nine women and three men resumes hearing testimony today in the trial of Sidney Stomberg, charged with slaying Harold (Red) Rowe in an argument over religion. The state opened its case on Saturday after five days were required in selecting the jurors. Deputy District Attorney David W. Bachel said he would seek a first degree murder conviction.

MAY SETTLE TAX PROBLEM IN '51

Harrisburg, Nov. 20 (AP)—A bitter controversy over school tax rights now boiling in three sections of the state may be resolved in the 1951 legislature.

The controversy centers around the question of whether a third class school district should lose or retain tax rights when part of its land area is annexed by a municipality.

State Sen. George G. Stevenson, of Lock Haven, chairman of the Senate's Local Government committee, said today his group will attempt to find a solution to the problem.

"We'll have to do something to straighten the situation out," he said adding: "It is a very controversial subject. Townships and boroughs have never been able to find a happy medium in deciding annexation problems."

Prior to 1949, land in a third class district annexed by the municipality automatically went under municipal jurisdiction for all taxing purposes.

However, the 1949 legislature amended the school code to make the State Council of Education responsible for determining whether the third class district or the municipality should have school tax rights in annexed land areas. Soon after the law was passed, three cases came up requiring the State Council of Education to decide the school tax rights question.

Buried Under Coal, Workman Rescued

Utica, N. Y., Nov. 20 (AP)—Walter Kosuda says his first thought when he was buried beneath a pile of coal in a railroad coal chute was "I don't want to die cramped up like this."

Kosuda got his wish. Fellow workmen freed him within half an hour. He suffered only minor injuries. The 32-year-old railroad worker fell through an open trap door in the bottom of a coal hopper car Saturday. His body jackknifed in the chute at the Delaware, Lackawanna and Western railroad trestle and coal poured over him.

"I couldn't get my breath. I thought I was going to die," he related yesterday. Within 15 minutes, other workmen had Kosuda's head uncovered. It took them another 15 minutes to pull him from the chute.

lies ahead, America can be and is the hope of the world.

"But until we match the greatness of those who built our nation so far we cannot build our nation greater."

"Lincoln knew the long, rough road fashioned with many failures, the long journey from log cabin to the White House. And that road, and even its failures, prepared him to meet the challenge when America came to its day of collapse. He met the challenge and proved that he was a great American because he was a great man of God."

Freed World of Slavery

"The young man who had been horrified when he saw slaves being sold in New Orleans, became the great man who from the White House freed the entire world from slavery as a philosophy."

"He was one of those who came to the end of their journey with their hands empty and their hearts full; who give of all they have, and ask nothing."

HOT, FIERY GAS Stomach Like a Furnace

A Gettysburg man said recently that his stomach used to burn like a "gas factory!" That is, when he ate a meal it seemed to turn right into hot gas. He was always bloated, had gas pains daily. But now this man says he is FREE OF STOMACH GAS and he says the change is due to taking CERTA-VIN. His meals agree with him.

CERTA-VIN is a new formula. Taken before meals it works with your food, expels the gas, and thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and Iron. Besides relieving gas it also enriches the blood (with iron) and makes stronger nerves (with vitamin B). Miserable people soon feel better all over. So don't go on suffering! with a parade from the Grand Army of the Republic past rooms on East Middle street to Lincoln Square by way of Stratton and York streets and then south on Baltimore street to the cemetery.

Parade to Cemetery

LeRoy H. Winesberger and Edward W. Reed, Jr., marshals, were mounted on horses. Following them came the Gettysburg high school band, several troops of Boy Scouts and Girl Scouts, the Sons of Union Veterans Reserve File and Drum corps of Harrisburg, garbed in Civil War uniform and playing the tunes used by the Union troops, members of the Gettysburg camp of the SUV, representatives of the United Spanish War Veterans, and members of the Lincoln Fellowship and guests.

At the cemetery John D. Lippy, Jr., president of the Lincoln Fellowship, introduced Major John H. Runkle, Harrisburg, past national commander of the SUV, who presided. Rev. Henry B. Reiley, pastor

of the local Methodist church, pronounced the invocation. Otis Walter, a son of a Union veteran, placed a wreath on the grave of an unknown soldier and Miles Kieffer, Manheim, vice president of the Fellowship, placed a wreath on the Soldiers' National Monument.

High School Band Plays

Former Burgess Fred G. Pfeiffer delivered Lincoln's Gettysburg Address both at the cemetery and at the Fellowship luncheon. While Pfeiffer gave the address at the cemetery Paul H. Uibel, Ephrata chimney builder, who impersonates Lincoln, stood on the monument. The benediction was pronounced by the Rev. Stanley Laurentis, assistant pastor of St. Francis Xavier Catholic church. The Gettysburg high school band provided the music at the exercises.

Dr. Joseph H. Riley, commander of the local CUV, following the ceremony, thanked the local police force for its work in handling traffic.

"Sad and sudden was the call
Of one who was dearly loved by all;
It was bitter grief, and shock severe
To part with one we loved so dear.
No one knows the silent heartache
Only those who have lost can tell
Of the grief that's borne in silence
For the one we loved so well."

He had a smile for everyone

To those who knew and missed him
They have often told."

Cities Responsibilities
"The Adams County Bar association started this project with the idea of giving you a practical lesson in democracy. In a few years you will be the citizens and taxpayers of this county and you will have the responsibilities that go with that privilege. In a few years you will be making up the juries and taking up the many duties that pertain to citizenship."

"Today you'll see 40 people who are here for jury duty. All of them have to make a sacrifice to come but they do so because the jury system is a fundamental part of our form of government. They are unhesitatingly doing their duty as citizens."

This afternoon a similar number of ninth grade students from York Springs made the tour of the county offices and attended the session of court. Tuesday Biglerville students will be at the court house and Wednesday students from New Oxford will make the trip. Students from other high schools in the county will visit during the January and April terms of court according to present plans of the Bar association.

Norman Petrow, York attorney, and Attorney J. Francis Yake, Jr., represented Hulsbark at the trial today. State Policeman Howard J. Mackert is prosecutor in the case which follows a collision on Mt. Newman on October 12.

A number of jurors have been excused from duty the court announced. Among them are Mrs. Ruth Baker, New Oxford; Robert Coates, Hanover R. 4; Christian E. Enterman, Iron Springs; Mrs. Josephine Flickinger, York Springs; Vernon Straley, Littlestown R. 2; William C. Todd, New Oxford R. 2; Francis Walker, who was found to have moved from Gettysburg R. 1, to Taneytown, Md., and Ner Thomas, Biglerville, who was excused for today only.

Truman Wants Rent Controls Extended

Washington, Nov. 20 (AP)—Chairman Spence (D-Ky.) of the House banking committee said today that President Truman wants legislation at the short session of Congress to extend rent control until March 31, 1951.

Mr. Truman's idea, Spence told reporters after a White House call, is to get the brief extension now and then give the new Congress opportunity to explore in January the whole question of rent controls in order to decide what's needed in the future.

The law as now written expires December 31, 1950, except in communities which voluntarily keep the curbs for six more months.

Spence said he will introduce in the short session, beginning November 27, a resolution in line with the Truman proposal. He announced his committee will hold hearings on the question and said he is inclined now to favor it.

Automobile Club Warns Of Wet Leaves

Philadelphia, Nov. 20 (AP)—A wet leaf is to the automobile what a banana is to the pedestrian.

That's the phrase the Keystone Automobile club used today in a warning to motorists.

Wet leaves, an auto club release continued, "are as slippery as an eel and treacherous as a rattlesnake."

A quick step by a motorist, on paving coated with wet leaves, the release explained, produces much the same effect "as may be noted when a poorly person treads unsuspiciously on a banana skin. Both vehicle and pedestrian are apt to go out of control."

Japan's industry derives about 60 per cent of its energy from coal, 28 per cent from water power and the remainder from petroleum and natural gas.

ASK CHECKREIN ON BANK LOANS

Washington, Nov. 20 (AP)—The Federal Reserve Board has appealed to the nation's banks to put a check-rein on their lending. Aggregate bank loans have increased at a rate of about \$1,000,000,000 a month since the start of the Korean war.

Board Chairman Thomas B. McCabe said last night that banks can make a big contribution to the fight against inflation by holding down borrowing and by limiting loan extension. McCabe's letter went to the 7,000 banks of the Federal Reserve System.

"Further expansion in bank credit means more dollars competing for limited supplies of labor and materials," he wrote. "Unless such expansion of credit is checked it is bound to raise prices."

"Defense dollars will soon be added to civilian dollars in competition for available goods. The nation's defense needs must be adequately met without runaway prices."

The appeal was the second the Reserve Board has made to banks to curb loans in four months. It seemed to indicate that there is no immediate plan for an order which would limit lending capacity by freezing bank reserves.

MAKE GASOLINE FROM COAL NOW

Louisiana, Mo., Nov. 20 (AP)—Gasoline is being produced from coal "in practical quantities" at the U.S. Bureau of Mines plant here.

The department disclosed here Saturday that more than 225,000 gallons of gasoline have already been produced at its \$25,000,000 coal-to-oil demonstration plant.

Among the allied products which also can be produced from coal are diesel oil, jet fuel and various chemicals for use in such materials as anti-freeze products, paint solvents, wood preservatives and nylon stockings, according to bureau scientists.

The bureau said the purpose of the plant was to determine the feasibility of establishing a synthetic oil industry in this country to be operated by private industry to meet the challenge of dwindling U.S. reserves of natural petroleum.

If feasibility is established, the United States would be independent of foreign oil supplies in event of war and could fill the country's normal demands for oil for centuries, bureau scientists said.

Gasoline has been produced in the test plant here at rates as high as 9,000 gallons a day for the past month since the first batch was drawn.

Chinese Communists Reported In Trouble

Washington, Nov. 20 (AP)—The Chinese Nationalists have received a report that there is "trouble" within the Communist Fourth Army in Manchuria, an embassy spokesman said today.

The official said besides this report, which lacked details, there have been others telling of revolts, desertions and guerrilla activities on the Communist-controlled mainland.

The Nationalist defense ministry at Taipei announced November 8 that one division of the Fourth army revolted in central China a week earlier, and that most joined the guerrillas.

The Fourth Army has been moved northward to Manchuria in recent weeks and some of its units have been identified in the fighting against the U.N. forces in North Korea.

Battle To Save Child's Life Lost

Lansing, Mich., Nov. 20 (AP)—City firemen today lost a 43-hour battle to keep little Judith Lenon alive.

Judith, who was 13 and lived in Mason, Mich., underwent brain surgery Friday afternoon in a Lansing hospital. During the course of the operation, she lost the power to breathe.

STATE SUPREME COURT OKAYS GIBBS SENTENCE

Philadelphia, Nov. 20 (AP)—The State Supreme court today affirmed the death sentence for Lester Edward Gibbs, convicted of first degree murder in the slaying of a Franklin and Marshall college stenographer last January 10. The high court denied Gibbs' appeal for a new trial.

Gibbs was convicted in Lancaster county court of the slaying of Marian Louise Baker, a 25-year-old GI college student, he had sought a new trial on grounds that the trial judge erred in instructing the jury.

The Supreme court, in an opinion by Chief Justice James B. Drew, said "It is quite clear that the jury was not deprived of the right to fix the degree of the crime."

No Errors Found

"The evidence in this case presents a picture of a brutal and ruthless crime committed by this defendant and fully justifies the extreme penalty imposed by the verdict of the jury," the court said. "We find no error in the record of this case. The sentence imposed should, therefore, be carried out."

In his opinion Justice Drew described how Miss Baker "was brutally slain by being beaten to death with a lug wrench."

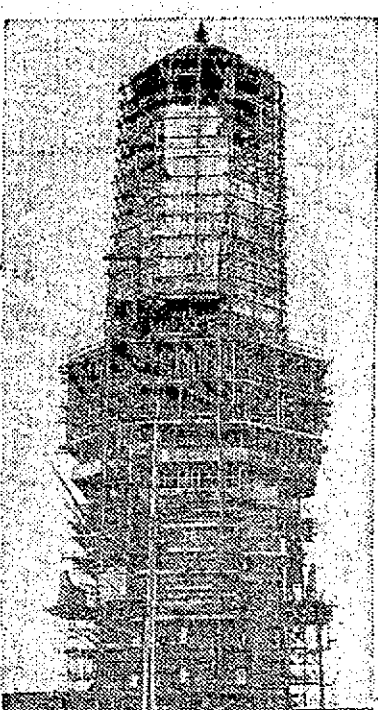

Confessed In Eight Days

Gibbs, member of a prominent Pittman, N. J. family, confessed the killing eight days later.

Gibbs said he met Miss Baker in downtown Lancaster on the afternoon of January 10, how he drove her out into an isolated spot outside the city and how he killed her. The body was not discovered until four days later. He told police he killed the girl "on an impulse."

Gibbs admitted committing the crime January 18 and on that same day he signed a statement telling how he killed Miss Baker, the opinion said.

"Under these circumstances," the opinion went on, "defendant concedes, as he must, that he properly deserves to be punished under the law. He contends, however, that because of the admission of certain evidence and because of certain alleged errors in the charge, he was precluded from having the jury determine the degree of his guilt."

This ten-story tower nearing completion at summit of 3,000 feet high Feldburg Mountain at Frankfurt, Germany, will be used by the German post office as a radio telephone transmitter beamed to Germany and world.

Camp Atterbury, Ind., Nov. 20 (AP)—Cities and towns in Pennsylvania will be graced with an abundance of khaki brown to go with the red and green of the Christmas holiday season this year.

The khaki will be worn by former National Guardsmen enjoying a special 10-day Christmas furlough from training duties with the 28th Infantry Division. Leaves were announced after orders from Washington called for a 10-day suspension of all army training from December 23 to Jan. 1.

Pottsville, Pa., Nov. 20 (AP)—A jury of nine women and three men resumes hearing testimony today in the trial of Sidney Stromberg, charged with slaying Harold (Red) Rowe in an argument over religion. The state opened its case on Saturday after five days were required in selecting the jurors. Deputy District Attorney David W. Baehle said he would seek a first degree murder conviction.

Mail is delivered regularly to a colony of house-boats on the Thames river at Chelsea, London.

Camp Stewart, Ga., Nov. 20 (AP)—Gov. James Duff of Pennsylvania is expected late today to inspect Pennsylvania National Guard troops in training at this big anti-aircraft base.

Duff, senator-elect, will be accompanied by his wife. They have been vacationing in Florida. They will be the guests of Brig. Gen. Charles O. Curtis, commanding general of the post, whose home is in Allentown, Pa.

How To Relieve Bronchitis

MAY SETTLE TAX PROBLEM IN '51

Harrisburg, Nov. 20 (AP)—A bitter controversy over school tax rights now boiling in three sections of the state may be resolved in the 1951 legislature.

The controversy centers around the question of whether a third class school district should lose or retain tax rights when part of its land area is annexed by a municipality.

State Sen. George G. Stevenson, of Lock Haven, chairman of the Senate's Local Government committee, said today his group will attempt to find a solution to the problem.

"We'll have to do something to straighten the situation out," he said adding: "It is a very controversial subject. Townships and boroughs have never been able to find a happy medium in deciding annexation problems."

Prior to 1949, land in a third class district annexed by the municipality automatically went under municipal jurisdiction for all taxing purposes.

However, the 1949 legislature amended the school code to make the State Council of Education responsible for determining whether the third class district or the municipality should have school tax rights in annexed land areas. Soon after the law was passed, three cases came up requiring the State Council of Education to decide the school tax rights question.

Buried Under Coal, Workman Rescued

Utica, N. Y., Nov. 20 (AP)—Walter Kosuda says his first thought when he was buried beneath a pile of coal in a railroad coal chute was "I don't want to die cramped up like this."

Kosuda got his wish. Fellow workmen freed him within half an hour. He suffered only minor injuries.

The 32-year-old railroad worker fell through an open trap door in the bottom of a coal hopper car Saturday. His body jackknifed in the chute at the Delaware, Lackawanna and Western railroad trestle and coal poured over him.

"I couldn't get my breath. I thought I was going to die," he related yesterday. Within 15 minutes, other workmen had Kosuda's head uncovered. It took them another 15 minutes to pull him from the chute.

lies ahead. America can be and is the hope of the world.

"But until we match the greatness of those who built our nation, so far we cannot build our nation greater."

"Lincoln knew the long rough road fashioned with many failures, the long journey from log cabin to the White House. And that road, and even its failures, prepared him to meet the challenge when America came to its day of collapse. He met the challenge and proved that he was a great American, because he was a great man of God."

Freedom of Slavery

"The young man who had been hurried when he saw slaves being sold in New Orleans, became the great man who from the White House freed the entire world from slavery as a philosophy."

"He was one of those who come to the end of their journey with their hands empty and their hearts full; who give of all they have, and ask nothing."

HOT, FIERY GAS Stomach Like a Furnace

A Gettysburg man said recently that his stomach used to burn like a "gas factory!" That is, when he ate a meal it seemed to turn right into hot gas. He was always bloated, had gas pains daily. But now this man says he is FREE of STOMACH GAS and he says the change is due to taking CERTA-VIN. His meals agree with him.

CERTA-VIN is a new formula. Taken before meals it works with your food, expels the gas, and thus you get the fullest good out of your meals. It contains Ten Great Herbs, plus vitamin B and Iron. Besides relieving gas it also enriches the blood (with iron) and makes stronger nerves (with vitamin B.) Miserable people soon feel better all over. So don't go on suffering! with a parade from the Grand Army of the Republic post rooms on East Middle street to Lincoln Square by way of Stratton and York streets and then south on Baltimore street to the cemetery.

Parade to Cemetery

LeRoy H. Whitehammer and Edward W. Reed, Jr., marshals, were mounted on horses. Following them came the Gettysburg high school band, several troops of Boy Scouts and Girl Scouts, the Sons of Union Veterans Reserve File and Drum corps of Harrisburg, garbed in Civil War uniform and playing the tunes used by the Union troops, members of the Gettysburg camp of the SUV, representatives of the United Spanish War Veterans, and members of the Lincoln Fellowship and guests.

At the cemetery John D. Lipoy, Jr., president of the Lincoln Fellowship, introduced Major John H. Runkle, Harrisburg, past national commander of the SUV, who presided. Rev. Henry B. Riley, pastor

of the local Methodist church, pronounced the invocation. Otis Walter, a son of a Union veteran, placed a wreath on the grave of an unknown soldier and Miles Kieffer, Manheim, vice president of the Fellowship, placed a wreath on the Soldiers' National Monument.

High School Band Plays

Former Burgess Fred G. Pfeiffer delivered Lincoln's Gettysburg Address both at the cemetery and at the Fellowship luncheon. While Pfeiffer gave the address at the cemetery Paul H. Uebel, Ephrata chimney builder, who impersonates Lincoln, stood on the monument. The benediction was pronounced by the Rev. Stanley Laurentis, assistant pastor of St. Francis Xavier Catholic church. The Gettysburg high school band provided the music at the exercises.

Dr. Joseph H. Riley, commander of the local CUV, following the ceremony, thanked the local police force for its work in handling traffic.

RED CHINESE TAKE MOSCOW LINE IN KOREA

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

Red China's reaction to Washington's earnest assurances that the United States has no designs on Manchuria probably stems more from Moscow than Peking.

All evidence indicates the Chinese Communist chief, General Mao Tse-Tung, has entered into an alliance with the Russians to keep America indefinitely engaged in the Korean war. That being so, he no longer is a free agent; the Soviet Union speaks for him.

This scheme of course is aimed at bleeding the United States both militarily and economically, thereby weakening her defense against the Communist world revolution. If the plot were successful it ultimately would give Mao a dominant position in Asia. But he must accept dictation from Moscow, which is the fountain-head of world communism.

Europe Still Vital

There is small possibility of either Moscow or Peking laboring under a misapprehension that America really is aiming at Manchuria. Even a boy playing soldier with a wooden gun would realize Uncle Sam can't afford to get entangled in a major Asiatic war at this critical juncture, with Russia sitting on the sidelines and fostering her strength.

Without detracting from the importance of the Asiatic zone, Western Europe must remain the vital theatre for Allied preparedness so long as Russia remains aloof, building up her already great power. The weakening of Allied strength in Western Europe by heavy commitments in the Far East would be inviting disaster.

Hold Balance of Power

To my mind, the reason we are not in another world war this moment is because the Western Allies hold the balance of power—both military and economic—over the Soviet bloc.

The maintenance of peace depends on the maintenance of the balance of power the way it is. Another global upheaval isn't inevitable so long as this balance continues. When one starts from this premise of balance of power, it becomes quite clear why the Communist bloc is anxious to get America in particular, and the Western powers in general, involved in a major Asiatic conflict. That would whittle down our resources until the balance of power shifted to the other side. Then look out for trouble!

Tries Ad To Find His Lost Savings

Pittsburgh, Nov. 20 (AP)—Behind an advertisement in the Pittsburgh Post-Gazette's lost-and-found columns is the story of a 67-year-old painter and his faith in human nature.

Theodore Gianoutsos inserted in today's Post-Gazette this ad: "\$2,300 in envelope (life savings) lost in Potter Title and Trust bank by elderly man now under doctor's care from shock of loss. Substantial reward. Fieldbrook 1-9133."

The painter said he drew all his money out of the bank on Saturday to pay outstanding bills. He put some of the smaller bills into his wallet and then walked out, leaving a plain envelope containing \$2,300 on a bank counter.

Realizing his loss a few moments later, he ran back to the bank—but the envelope was gone. That's when he decided to put an ad in the newspaper and trust to human nature.

Fire Destroys Two Barns: \$25,000 Loss

Pottsville, Pa., Nov. 20 (AP)—Two barns on the farm of Robert and Harry Edwards at Clark Station were destroyed by fire last night.

Lost in the blaze—which caused damage estimated at \$25,000—were two tractors, two motorcycles, an automobile, 235 chickens, 50 tons of hay, 125 bushels of corn and a pet dog.

Harry Edwards' home was badly scorched but firemen prevented the flames from spreading to the structure. Harry's wife led five cows from the blazing barns.

Cause of the fire was not determined immediately.

Roston, Nov. 20 (AP)—Some power-wires got crossed last night and that caused the big Boston blackout.

A power failure darkened much of the hub in a hit-and-miss pattern and parts of suburban Brookline, Cambridge and Belmont for about an hour. An estimated million persons were variously affected by the

PHONE STRIKE IS ENDED TODAY

New York, Nov. 20 (AP)—More than 33,000 telephone employees return to work across the country today under compromise settlements that ended their 11-day strike against units of the huge Bell Telephone system.

The agreements were reached yesterday in New York and Detroit, where federal mediators had been seeking peace in the pay and contract dispute.

The big break came here at the end of a 25-hour marathon bargaining session between Bell's Western Electric Co. and Division 6 of the CIO Communications Workers of America (CWA), representing 11,000 equipment installers.

Within a few hours, parallel settlements were announced here between Western Electric and 5,000 maintenance and warehousemen in Division 18; in Detroit between the Michigan Bell Telephone Co. and 17,000 members of CWA Division 15; and in Haverhill, Mass., between Western Electric and 700 Division 6 plant workers. The companies both are subsidiaries of the American Telephone and Telegraph Co., the parent Bell corporation.

A T.A.T. said that aside from some local interruptions, it maintained nearly normal service throughout the strike.

The Union claimed a strike victory. The companies called the settlements "fair"—although "costly" in the Michigan dispute. In the compromise, both sides actually receded from their hard-and-fast strike positions.

Pittsburgh, Nov. 20 (AP)—After a strike-caused news drought lasting seven weeks, Pittsburghers enjoyed that old American custom—reading the Sunday newspapers. In fact, readers of the Pittsburgh Sun-Telegraph and the Press had more than the usual amount of Sunday morning reading matter yesterday.

The Press, with a special feature magazine and other sections, carried 224 pages. The Sun-Telegraph had 152 pages. Both papers yesterday published their first

GOVERNMENT IS ASKING HELP IN INFLATION FIGHT

By MAX HALL

Washington, Nov. 20 (AP)—The government is asking you for "voluntary cooperation" in fighting inflation.

What sort of cooperation? What do they mean? They attribute inflation to the existence of too much purchasing power in relation to the amount of goods. Are they suggesting you shouldn't buy that refrigerator, television set, or pair of shoes you've been wanting?

Alan Valentine, the economic stabilization administrator, made a speech the other night.

Again and again he asked for the "voluntary cooperation" of industry, labor, and the public. He urged "restraint" and "self-control" and "personal sacrifice." He argued, if pleaded. He warned.

"Greater Restraint"

Valentine asked businessmen and labor to exercise restraint on prices and wage demands. But concerning the cooperation of the public—the consumer—the average individual who has no direct power to determine the size of prices or wage demands—Valentine wasn't quite so clear.

He only asked: "Should not

American women, who determine most purchases of consumer goods, manage their households and their budgets with greater restraint and less desire to keep up with the Joneses?"

I took a copy of Valentine's speech to officials of the Economic Stabilization Agency and started asking questions:

Oppose Anticipatory Buying

Q. What does "greater restraint" mean? How does a person know whether to buy something or not?

A. There's no definite line that can be drawn. Much depends on his motive. Mainly it adds up to this: he should buy in a normal way but not in an anticipatory way.

Q. Is it unpatriotic to buy a new refrigerator?

A. Certainly not. We can't ask people not to buy refrigerators. We want people to buy refrigerators. That's normal. But we ask people not to buy beyond their needs. There have been cases of buying two refrigerators and storing one in the basement.

Q. That's anticipatory buying?

A. Definitely.

Q. Some other examples?

A. Well, suppose a person cashes his savings bonds and buys an empty lot that he can't really use at present. Or a housewife buys 100 pounds of sugar. Or a man buys tires that he doesn't need.

Just "Stay Normal"

Q. If there's a November sale of summer suits, is it wrong to buy one and put it away until next summer?

A. No. Taking advantage of a

WEST GERMAN SOCIALISTS WIN ELECTION

Frankfurt, Germany, Nov. 20 (AP)—West German Socialists—fierce opponents of the creation of a new German army to bolster western defense—won a thumping week-end election victory in the American occupation zone.

Voters in two states snubbed the powerful Christian Democrats, who dominate the Federal West German government and have urged German rearmament.

The states of Hesse and Württemberg-Baden, which voted yesterday for new state parliaments, also decisively rejected Moscow's policies in Germany. With not a single Communist elected, the Reds suffered

sale is normal buying, too. But if a person buys suits or shoes that he doesn't need, just because he anticipates shortages or higher prices later, that's anticipatory buying and it helps to cause shortages and push prices up. Real damage is done to the country when people try to stock up on food and clothing.

Q. So when you ask consumers to use restraint, what you're saying is "follow your normal buying practices?"

A. Yes.

their worst drubbing since the war. Called "Clean Protest," Socialist leaders immediately hailed the results as a victory for their stand against West German rearmament.

"The outcome represents a clear protest against the policies of Federal Chancellor Konrad Adenauer, especially on the question of rearmament," said Socialist Chairman Willy Knothe of Hesse.

Fritz Heine, general secretary of the Socialist party, claimed the elections show the German public has lost confidence in the Federal government, especially because of its attitude of rearmament.

Heine said the Socialist victory "underscores our demand for new elections for the West German parliament." The Socialists demand the

new ballot to give the people a chance to vote yes or no on the army question.

See Other Elements

But political observers felt that the election results also partly reflected popular resentment against Adenauer for rising prices and the acute coal shortage.

In Hesse the Socialists grabbed a clear majority—47 of 80 seats—in parliament. They now will name the state's prime minister and cabinet, which will run the state administration for the next four years. After the last election, with a bare plurality, they had been forced to form a coalition government with the Christian Democrats.

In Württemberg-Baden, Adenauer's Christian Democrats lost their parliamentary edge to the Socialists

The latter took 35 of the 100 seats, the Christian Democrats got 31.

Adenauer's Statement

The vote in the two states was the lightest in any postwar election. Only 57.1 per cent of 2,565,971 eligible voters cast ballots in Württemberg-Baden, and 64.9 per cent of the 2,981,971 eligibles in Hesse. More than 70 per cent had voted in previous elections.

"This small turn-out of voters," was cited by Adenauer in a post-election statement as evidence that "the voters did not intend to take a stand toward the vital defense question."

Because of that, said Adenauer, he

Adenauer's Statement

The vote in the two states was the lightest in any postwar election. Only 57.1 per cent of 2,565,071 eligible voters cast ballots in Württemberg-Baden, and 64.9 per cent of the 2,981,971 eligibles in Hesse. More than 70 per cent had voted in previous elections.

"This small turn-out of voters" was cited by Adenauer in a post-election statement as evidence that "the voters did not intend to take a stand toward the vital defense question."

Because of that, said Adenauer, he

did not interpret the elections as an expression of public sentiment on rearmament nor did he consider the results indicated the German people favored new Federal elections on that question.

The Socialists in their campaign contended the Germans should hold back from any unified army until the Allies have massed enough troops along the Iron Curtain to hurl back any Soviet attack and until Germany has won full independence from western controls.

The Conservative Christian Democrats—the republic's strongest political group—carried the ball for German rearmament. Adenauer invaded the two states during the campaign to tell the voters Germans must take part in the defense of freedom.

RED CHINESE TAKE MOSCOW LINE IN KOREA

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

Red China's reaction to Washington's earnest assurances that the United States has no designs on Manchuria probably stems more from Moscow than Peiping.

All evidence indicates the Chinese Communist chief, General Mao Tse-Tung, has entered into an alliance with the Russians to keep America indefinitely engaged in the Korean war. That being so, he no longer is a free agent; the Soviet Union speaks for him.

This scheme of course is aimed at bleeding the United States both militarily and economically, thereby weakening her defense against the Communist world revolution. If the plot were successful it ultimately would give Mao a dominant position in Asia. But he must accept dictation from Moscow, which is the fountain-head of world communism.

Europe Still Vital

There is small possibility of either Moscow or Peiping laboring under a misapprehension that America really is aiming at Manchuria. Even a boy playing soldier with a wooden gun would realize Uncle Sam can't afford to get entangled in a major Asiatic war at this critical juncture, with Russia sitting on the sidelines and fostering her strength.

Without detracting from the importance of the Asiatic zone, Western Europe must remain the theater for Allied preparedness so long as Russia remains aloof, building up her already great power, the weakening of Allied strength in Western Europe by heavy commitments in the Far East would be inviting disaster.

Hold Balance of Power

To my mind, the reason we are not in another world war this moment is because the Western Allies hold the balance of power—both military and economic—over the Soviet bloc.

The maintenance of peace depends on the maintenance of the balance of power the way it is. Another global upheaval isn't inevitable so long as this balance continues. When one starts from this premise of balance of power, it becomes quite clear why the Communist bloc is anxious to get America in particular, and the Western powers in general, involved in a major Asiatic conflict. That would whittle down our resources until the balance of power shifted to the other side. Then look out for trouble!

Tries Ad To Find His Lost Savings

Pittsburgh, Nov. 20 (AP)—Behind an advertisement in the Pittsburgh Post-Gazette's lost-and-found columns is the story of a 67-year-old painter and his faith in human nature.

Theodore Gianoutsos inserted in today's Post-Gazette this ad: "\$2,300 in envelope (life savings) lost in Potter Title and Trust bank by elderly man now under doctor's care from shock of loss. Substantial reward. Fieldbrook 1-9133."

The painter said he drew all his money out of the bank on Saturday to pay outstanding bills. He put some of the smaller bills into his wallet and then walked out, leaving a plain envelope containing \$2,300 on a bank counter.

Realizing his loss a few moments later, he ran back to the bank—but the envelope was gone. That's when he decided to put an ad in the newspaper and trust to human nature.

Fire Destroys Two Barns: \$25,000 Loss

Pottsville, Pa., Nov. 20 (AP)—Two barns on the farm of Robert and Harry Edwards at Clark Station were destroyed by fire last night.

Lost in the blaze—which caused damage estimated at \$25,000—were two tractors, two motorcycles, an automobile, 235 chickens, 50 tons of hay, 125 bushels of corn and a pet dog.

Harry Edwards' home was badly scorched but firemen prevented the flames from spreading to the structure. Harry's wife led five cows from the blazing barns.

Cause of the fire was not determined immediately.

Boston, Nov. 20 (AP)—Some power-wires got crossed last night and that caused the big Boston blackout.

A power failure darkened much of the hub in a hit-and-miss pattern and parts of suburban Brookline, Cambridge and Belmont for about an hour. An estimated million persons were variously affected by the

Rev. Dr. Frederick R. Seibel, pastor of St. Mary's Lutheran church, Silver Run, was the guest minister at the community Sunday evening Vesper service held at Redeemer's Reformed church, the Rev. Frank E. Reynolds, pastor, The Rev. Dr. Seibel spoke on "Everyday Christian Life." The organ prelude was given by Miss Shirley Gobrecht, church organist. The invocation, scripture reading, prayer and offertory prayer were given by the Rev. Frank E. Reynolds. The choir of Redeemer's church sang "The Sins and Glories of the West." The Rev. Kenneth D. James, pastor of St. John's Lutheran church, introduced the Rev. Dr. Seibel to the large congregation.

The vesper service next Sunday evening will be held in Centenary Methodist church, the Rev. Harvey B. Simons, pastor. Rev. Oscar E. Freeman, pastor of St. Luke's Lutheran church, White Hall and Grace Lutheran church, Two Taverns, will deliver the message that evening. Everyone is invited to attend.

Give Program

A Thanksgiving program was presented in the Children's department by the children of Redeemer's Reformed Sunday school. The program opened with a song by the group, followed by pledges to the Christian and American flags and group singing and reading of the scripture. The Lord's prayer was repeated followed by a litany for Thanksgiving. The offering was received and the gifts of fruit, jelly, etc., which were brought by the children of the Sunday school to be presented to the "shut ins" of the congregation were accepted by the pastor, the Rev. Frank E. Reynolds. The children also presented their Thanksgiving offering boxes.

An exercise, "Thanks," was presented by Marilyn Miller, Judy Thomas, Diane Crouse, Bonnie Boemmaker, Ann Krohn and Mary Anne Reynolds; recitation, "We Thank Thee" by Jimmy Krohn; corset solo, "America," by Kenneth Loomis; exercise, "The Bill of Rights," by Lippy, James Evans and Ronald Yingling; story, "The First Thanksgiving," told by Mrs. John E. Ambaugh; duet, "Now We Thank Thee," Sandra Hawk and Grizelda Fahm, accompanied by Mrs. Samuel Higginbotham, and recitation, "Thanksgiving," Ellen Hilkemeier. Solo, "Bless This House," was sung by Miss E. Lorraine Myers. The program closed with a song and a prayer.

Mission Group Meets

Mrs. Parr Breighner, near White Hall, was hostess to the monthly meeting of St. Luke's Missionary society on Friday evening. The president, Miss Betty Hartlaub, was in charge of the business meeting. Miss Hartlaub reported on the Nevin Regional Guild meeting held at Trinity Reformed church, York, on October 6. Those delegated from the society to attend the meeting were Betty Hartlaub, Mrs. Parr Breighner and Mrs. Earl Flickinger. Mrs. Sentz was the leader for the program for the

evening. A reading entitled "The Loom of Life" was read responsively with Mrs. Sentz as leader and the response was given by Mrs. Oscar Ambacher, Mrs. Parr Breighner, Miss Betty Hartlaub and Mrs. Guy McCabe. The meeting closed by repeating the Lord's prayer in unison. Refreshments were served to the group by the hostess, Mrs. Parr Breighner.

The next missionary society meeting will be held December 15 at the church. Mrs. Guy McCabe will be the leader for this meeting.

Junior and senior choir rehearsals which were previously scheduled for Thursday evening at 6:30 and 7:30 p.m. at St. Paul's Lutheran church have been canceled this week due to the Thanksgiving holiday.

The Littlestown Men's chorus will rehearse tonight in the high school auditorium at 8:30 p.m. All members are urged to attend the rehearsal, at which time final arrangements will be made for the third annual concert to be presented by the chorus on Friday evening at 8 p.m. in the Littlestown high school auditorium. All seats are reserved at 50 cents and 75 cents per seat. Tickets are on sale at Marvin's Cut Rate store, where there is also a seating chart on display.

On Tuesday evening at 7:30 p.m. the Brotherhood of St. John's Lutheran church will meet at the church. The refreshment committee in charge is composed of George Strevig, Vernon R. Study, Dale W. Starry and Robert King. Noah Strevig and Ray Study comprise the program committee.

BUSINESS HITS NEW TAX PLAN

Washington, Nov. 20 (AP)—Business rolled up its heavy artillery today to blast away at the administration's request for a \$4,000,000,000 excess profits tax.

Leading the assault as the House Ways and Means committee began its final three days of hearings was the National Association of Manufacturers, representing more than 15,000 small, medium and large companies.

The NAM's point of view was given to the committee in a statement prepared by Charles R. Sligh, Jr., chairman of its taxation committee.

Like other industry spokesmen who preceded him, Sligh asserted that business wants to carry its share of the defense swollen tax load, is against red-ink financing and agrees with President Truman that the defense program must be put on a pay-as-you-go basis as nearly as possible.

"This means a substantial increase in taxation all along the line and a strict pruning of non-military spending," he said.

But taxation of corporation profits held to be abnormally high as proposed by the President is the wrong approach, he said.

An excess profits tax, Sligh said, "becomes a special levy on profits in general, using the single criterion of size in relation to some arbitrarily determined base yardstick. The source or origin of the profit is no longer considered."

George IV introduced the first ready made cravat in 1829. It became known as the "Royal George" tie.

SLAYER OF FIVE GOES ON HUNGER STRIKE IN JAIL

Woodbury, N. J., Nov. 20 (AP)—A chain-smoking young appliance salesman has gone on a hunger strike in the jail cell where he is held for slaughtering five members of his wife's family and wounding four others in a 20-minute blaze of gunfire.

Warden William Molineaux of the Gloucester county prison said today Ernest Ingenito, 26-year-old World War II veteran, "refuses to eat."

"He drinks coffee and chain smokes cigarettes," the warden said, "but he won't eat."

Ingenito's refusal to take any solid food since his arrest early Saturday has not yet endangered his

health, however, Molineaux said.

Under Constant Guard

The slim young gunman has been under the constant surveillance of two guards at all times, the warden said, partly because of an attempt he made to take his own life with a razor a few moments before he was seized by state police after an automobile chase. The wounds he inflicted in his left wrist were superficial.

Ingenito has made no further effort to commit suicide, Molineaux said, but "we are taking no chances." He added: "He's a very quiet prisoner. He's highly nervous and upset but he still refuses to talk. He sleeps well. He's what we call a 'sleeper,' a prisoner who can hit the sack no matter how bad things look for him."

Ingenito has admitted he fired the shots Friday night which ended the lives of his father-in-law and mother-in-law, Mr. and Mrs. Michael Mazzoli; his estranged wife's grandmother, Mrs. Teresa

Pioppi; his wife's aunt, Mariana

Pioppi, and her uncle, John Pioppi.

Wife Hopes He Gets the Chair

Wounded in Ingenito's gun-wielding tour of three homes were: his wife, Teresa, 23; her uncle, Frank Mazzoli; his wife, Hilda, and a nine-year-old cousin, Jean Pioppi.

All are in the Newcomb hospital. Vineland, N. J. Frank Mazzoli is listed as critical, the others out of danger.

As sorrowing relatives prepared for a mass funeral tomorrow, Mrs. Ingenito talked yesterday to reporters from her hospital bed.

"I don't know why they didn't shoot him when they got him," she said. "I hope he gets the electric chair. He knew what he was doing all right."

In his only statement to authorities, Ingenito said "I did it. I did it because my wife wouldn't let me see

my kids."

Beyond that brief declaration, he refused to say why he burst into three homes—two in Piney Hollow,

N. J., and one at Minotola six miles away—on Friday night and mowed down his victims with two of four guns he carried.

BUSINESS HITS
NEW TAX PLAN

Washington, Nov. 20 (AP) — Business rolled up its heavy artillery today to blast away at the administration's request for a \$4,000,000,000 excess profits tax.

Leading the assault was the House Ways and Means committee began its final three days of hearings was the National Association of Manufacturers, representing more than 15,000 small, medium and large companies.

The N.A.M.'s point of view was given to the committee in a statement prepared by Charles R. Sligh, Jr., chairman of its taxation committee.

Like other industry spokesmen who preceded him, Sligh asserted that business wants to carry its share of the defense swollen tax load, is against red-ink financing and agrees with President Truman that the defense program must be put on a pay-as-you-go basis as nearly as possible.

"This means a substantial increase in taxation all along the line and a strict pruning of non-military spending," he said.

But taxation of corporation profits held to be abnormally high as proposed by the President is the wrong approach, he said.

An excess profits tax, Sligh said, "becomes a special levy on profits in general, using the single criterion of size in relation to some arbitrarily determined base yardstick. The source or origin of the profit is no longer considered."

George IV introduced the first ready made cravat in 1829. It became known as the "Royal George" tie.

SLAYER OF FIVE
GOES ON HUNGER
STRIKE IN JAIL

Woodbury, N. J., Nov. 20 (AP) — A chain-smoking young appliance salesman has gone on a hunger strike in the jail cell where he is held for slaughtering five members of his wife's family and wounding four others in a 20-minute blaze of gunfire.

Warden William Molineaux of the Gloucester county prison said today Ernest Ingenito, 28-year-old World War II veteran, "refuses to eat."

"He drinks coffee and chain smokes cigarettes," the warden said, "but he won't eat."

Ingenito's refusal to take any solid food since his arrest early Saturday has not yet endangered his

health, however, Molineaux said.

Under Constant Guard

The slim young gunman has been under the constant surveillance of two guards at all times, the warden said, partly because of an attempt he made to take his own life with a razor a few moments before he was seized by state police after an automobile chase. The wounds he inflicted in his left wrist were superficial.

Ingenito has made no further effort to commit suicide, Molineaux said, but "we are taking no chances." He added: "He's a very quiet prisoner. He's highly nervous and upset but he still refuses to talk. He sleeps well. He's what we call a 'sleeper,' a prisoner who can hit the sack no matter how bad things look for him."

Ingenito has admitted he fired the shots Friday night which ended the lives of his father-in-law and mother-in-law, Mr. and Mrs. Michael Mazzoli; his estranged wife's grandmother, Mrs. Teresa

Piozzi; his wife's aunt, Marianna

Piozzi, and her uncle, John Piozzi.

Wife Hopes He Gets the Chair

Wounded in Ingenito's gun-wielding tour of three homes were: his wife, Teresa, 23; her uncle, Frank Mazzoli, his wife, Hilda, and a nine-year-old cousin, Jean Piozzi.

All are in the New Jersey hospital.

Vineland, N. J. Frank Mazzoli is listed as critical, the others out of danger.

As sorrowing relatives prepared

for a mass funeral tomorrow, Mrs.

Ingenito talked yesterday to reporters from her hospital bed.

"I don't know why they didn't shoot him when they got him," she said. "I hope he gets the electric chair. He knew what he was doing all right."

In his only statement to authorities, Ingenito said "I did it. I did it because my wife wouldn't let me see

my kids."

Beyond that brief declaration, he refused to say why he burst into three homes—two in Piney Hollow,

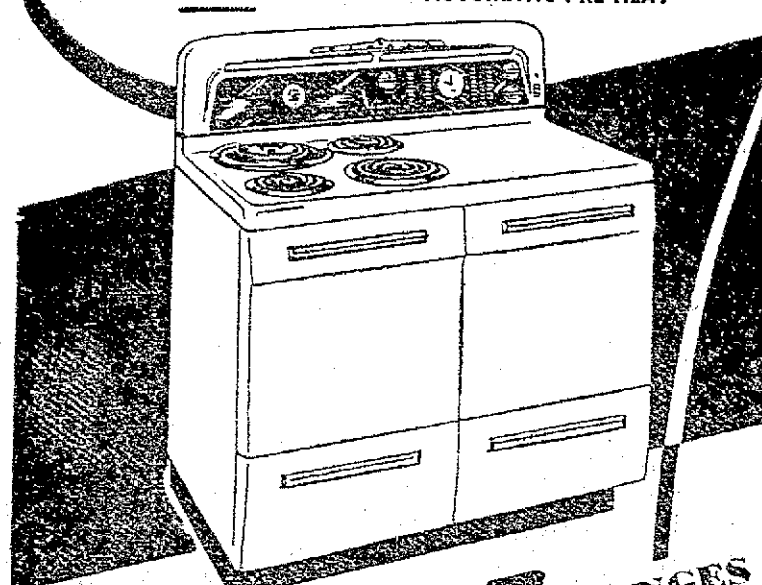

N. J., and one at Minotola six miles

away—on Friday night and mowed down his victims with two of four guns he carried.

BOOTH GIRL IS RETURNED HOME; NURSE IS HELD

Harrisburg, Pa., Nov. 20 (AP)—Bright-eyed little Deborah Booth, who disappeared Friday with her nurse, was home today with her widowed mother, and her brother and sister.

The flaxen-haired, two and a half-year old was the subject of a wide-spread search before she was found with her nurse in a Philadelphia railroad station last night.

The nurse, 18-year-old Mary Margaret Williams, of nearby Steelton, was being held on an open charge in the Dauphin county jail. District Attorney Carl B. Schellie said a decision might be reached later today as to specific charges against the nurse.

Explains Actions
Philadelphia Detective James A. McTague said the nursemaid told him she took the child because she felt "Deborah was not being brought up in a Christian home."

Detective Alfred Verbecken of the state police said Miss Williams had been placed on probation with juvenile authorities after she ran away from home several times previously.

To top off little Deborah's excitement

ing 48 hours, the state police car returning the family and the nurse to Harrisburg struck a deer on the New Philadelphia extension of the Pennsylvania turnpike last night. No one was injured, although the side of the car was damaged.

Photo Led to Child
A newspaper photo of the child paved the way to Deborah's return when a Travelers' Aid agent recognized it as the "deserted widow and child" she had helped at the Philadelphia Broad street station.

The agent, Mrs. Spahr Hull, who had placed the nursemaid and the child in a private home, tipped off the police and arranged to have the nurse and the child brought to the station where police intercepted them.

Mrs. Booth, whose husband was killed in an automobile accident a year ago, rushed to Philadelphia with her father, Farley Gannett, prominent Harrisburg engineer.

Mother Is News Writer
The mother, reported on the verge of collapse from nervous exhaustion earlier in the day, hurried into the City Hall Detective bureau and swept Deborah into her arms and kissed her. Miss Williams stood by, weeping nervously.

The little tyke whispered: "I love you, Mommy."
Mrs. Booth denied that her home in an exclusive Harrisburg residential section along the Susquehanna river was "not a Christian home."

Emmitsburg LATVIAN GIRL WINS CONTEST ON DEMOCRACY

Miss Mara Eksteins, a former student at Gettysburg high school, which she entered when her family came to this country as displaced persons from Latvia, recently won an oratorical contest in a "Voice of Democracy" program at Clear Springs, Md., high school. She will represent the school in the Washington county, Md., contest over WJED, Hagerstown.

Miss Eksteins and her brother, Jaris, entered school here in December, 1949. With their parents, Mr. and Mrs. Valfrids Eksteins, they lived at the home of Otto Ulrich, Gettysburg R. 2, until May, 1950, when they moved to the Corbett turkey farm near Clear Springs. The Eksteins came to America sponsored by Mr. Ulrich and the Grace Lutheran church of Baltimore.

It was a talk on democracy which won for Miss Eksteins the Clear Springs championship. She started her study of the English language about four years ago when she was in a displaced persons camp in Germany. She wrote her first draft of the oration in Latvian and then translated it into English.

One of the most complete and successful "Every Member" canvasses ever made by Elias Evangelical Lutheran church was carried out Sunday under the direction of the pastor and the canvass committee, with Charles L. Sharrer as chairman. The entire parish was divided into territories assigned to the visitors. A large group of men selected by the pastor and the committee was called to the altar at the Sunday morning service and commissioned formally for the mission of visiting personally every home in the parish during the afternoon and evening.

The customary Union Thanksgiving service will be held in the Emmitsburg Lutheran church Thursday at 10 a.m. The church choir will sing an anthem, under the direction of Mrs. Reginald Zepp, with Miss Ruth Shuff, organist. The pastor will conduct the service with the Rev. Charles Owens, Rev. Edmund Welker and Rev. Adam Grim assisting in the service. The sermon will be delivered by Rev. Grim, pastor of the Methodist church.

A financial report will be given by Frank Weant, treasurer of the Thanksgiving fund, and an offering for that fund will be received. The Emmitsburg Thanksgiving fund, to gether with the Union service, is an old institution in the community.

Started over 50 years ago it has continued without interruption. A committee of four laymen, one from each Protestant church, administers the fund for assistance to any worthy poor in the community. The offerings have been sufficient to meet emergencies arising from time to time in the community and a helpful service has been done through the years. The service, rotates among churches.

"What are these things?" she asked detectives. The mother, who is employed as a writer by a Harrisburg news agency, lives alone with Deborah and her other two children, Marcia, seven, and Michael, six.

Happy Is The Day When Backache Goes Away . . .

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Buffalo, N. Y., Nov. 20 (AP)—A month-old kitten, napping in a pie shop laundry bag, got taken to the cleaners by mistake. The next day, shop employees missed the kitten and called up the laundry.
